THE MAGNETIC POWER

Well, we are finishing, that is, we are coming to a pause; I do not know if this pause will be long, because if the tickets are ready for this coming week, I will go on vacation.

Now, you must remember that even the vacation that I will take, that I have tried to take for so many years, if God wanted to use my vacation or that vacation to do something, you know that I would not be opposed; but if He does not want to do anything, I will be back here soon. If He wants to do something, after it's all over, we will meet again.

You know that in one way or another I'm going to come back, you do not know that; and then, if I come back in another way, in the other way that you already know, then you will be transformed, because I will not come alone, we will all come from the other dimension.

[205] John was weeping. Where is it all—all at? What's going to happen?

[206] Said, "Don't weep, John," said the elder. "Here comes the Lion. He was the One prevailed." When he looked, here come a Lamb, bloody, that had been slain.

[207] Anything that's killed is bloody. You know, it's been killed. Its neck has been chopped open, or something. The blood is all over it.

[208] Here come a Lamb, been slain. And He came forth, oh, my, (what?) to make His claims on His redemption. Amen. Oh! Oh! I…Don't you just feel like just

going over in a corner, sit down and cry a while? Here come a Lamb, still bloody. John…There wasn't nothing there; all the celebrity was standing around, but there was none of them could do it. So, here come the Lamb, now. His intercessory days is over, the mediatorial days.

[209] That's when this Angel is going to stand there. You wait till we get in the Seals. "And time shall be no more." That's right. That "half hour of silence." Watch what takes place in that half hour of silence, when that Seventh Seal, next Sunday night, the Lord willing.

Thank you very much for your kind attention, kind friends and brethren present, and may Christ continue to bless you all, and use you all greatly.

We will leave here the Reverend Miguel Bermudez Marin to continue. Just a moment, Miguel, while… [brother William collects his books]. If when we are transformed we had to be like this with books, I think that by only picking up the books or bringing the books you would know that I would be the one with you, even if I am in a new body.

But when you see this, you would know that it is not Miguel, because Miguel does not do this, but you would know that it would be me.

But do not worry, you will also be transformed, and you will not need to see any sign, because we will already know each other; in the new body we will know each other just as we will be there.

Well, may God continue to bless you all, and with us our friend and brother, the Reverend Miguel Bermudez Marin.

What John heard

That messenger is adopted in the House of the heavenly Father to administer that dispensation. He is the one who must carry out all the business of the House of God for that dispensation; and everything he does in that dispensation, God says: "It is well done!" Because after God has adopted a dispensational messenger, God will not repent; because before God adopts him, God puts him through all the necessary tests to be able to deliver into his hands the business of that

dispensation, and he then becomes the person responsible for that dispensation.

He will then have on his shoulders all that dispensational work. His Message will be the Message that will govern that dispensation, it will be the Message that will reign in that dispensation. And he is then appointed as the one who sits in that dispensation as God's instrument to do all that God has to do in that dispensation; and God will not do anything unless it is through that dispensational messenger. It does not matter if he is alive or dead.

The greatest blessing

I, if I had to depart, if I had to sleep or die (as some people say), I would leave quietly if God tells me that He will leave our brother Bermudez on Earth to help all of you here and throughout Latin America. So if either of us had to leave, I would say to the Lord: "I want to leave and let him stay with the brethren carrying out the Work."

Well, perhaps you will think: "Well… brother William does not want to work anymore." Look, here there are only those of this time. There in Paradise are those of all the seven ages; so there is a lot of work too.

So that I will not be working, that is not true; wherever I go, God will have work for me to do there; and the same thing I preach to you, I would preach to them there. So there is no problem: the Message would then spread to another world, to another dimension, where they desired (in the time they lived), they desired to hear, read and see these things that we see and hear and read.

We are blessed, we have the greatest blessing, and we would be willing to share it with the saints of the ages of the past.

I would be willing to travel there the moment God wanted to take me there. Just as I travel to other nations, I would travel there calmly, knowing that He has a lot of work for me there, too. There I would find ministers too; as I have found them here, I will find them there, which will receive the Word; and each messenger of each age will receive it to share it with his group.

So there is no problem about that. I'm sure they will invite me to their group to preach the Message to them. And who knows if they will be able to gather all the ages at once, to have an activity of all of them together. Well, that would be maybe the last one, because after that, for sure, we would all come here to be with you again.

Well, there will be a big meeting some day, all of us together, as we have all wished.

Well, "THE GREATEST BLESSING"; just as we have it promised, they also have it promised.

The mystery of the Kingdom of God
Dr. William Soto Santiago
Friday, January 4, 1985
Maturin, Venezuela

We know that at this time the elect are placed in that place of the Temple of the Lord. It is the most sublime place, the most important place, the place that God has always watched over; and it is also the place where whoever enters and eats of that hidden Manna has the promise not to see death, unless he has been appointed by God to leave and then return in the resurrection, to witness the resurrection; because that is good: that some of those who are here go to Paradise, stay there for a while, and then return in the resurrection. If nobody wants to go, I would like to go; and then when I return, I think you will know me again and you will know that it is me for what I will preach to you.

And I do not worry about having to go when I have to go, if God calls me, you know why?, because here we have our brother Bermudez, who knows these mysteries of the Kingdom of God very well, and he can continue with you, and you will not have any problem.

I have told him so, and he says: "No, it is better for me to go, and you stay." So even in that… even in that he and I fight; because he wants, then, to leave; but I think his wife and children would not want that. So let's hope that if God has to take one of us two, that He takes me and that he stays with you here fighting and working, and then you will see me again when I return with all the saints that are there.

So, whoever leaves in these days will not be there for long; that is why one does not have to worry: he will be there for a short time, and there… if I preach here and I preach to you all these things, and I speak of the book of Revelation, what do you think I will preach there? It is not that I am going to seek that… it is not that I am going to seek to preach, but surely every time one of those of this time goes, he goes there and immediately they receive him and give him the opportunity to speak if he is a minister, to preach about the things that pertain to this time, for them to know how things are here and know how much time they have left there.

Well, I would continue to preach; do not worry about that. And I think it would be very good there. But knowing the promises that are here, I would not stay there; I would look for a way to go out with all the people that are there to come and visit you here.

The glorious dawn of the resurrection

Before an adoption, the Son to be adopted must have worked in the Business of his Father, who is adopting him.

In other words, a person cannot just come along and say: "I want to be adopted. I believe. I want to be adopted." And that is it. No, he must have believed first, and worked in the Work of the one who is going to adopt him.

That is how it was with Jesus before He was adopted on Mount Transfiguration: He worked in His Father's Work for three years carrying out that ministry, and then He was adopted; and after being adopted, then He crowned His ministry with His Sacrifice on Calvary's Cross. He could not carry out that Work of Redemption without being adopted, and He could not be adopted without carrying out the pre-adoption work.

And now we are in the stage of pre-adoption, working on the Work of Christ, who is going to adopt all of us. In that Work of pre-adoption is that I am working in for many years. And you also. We are in the Age of Adoption, which is the Age of the Cornerstone; and in the Dispensation of Adoption, which is the Dispensation of the Kingdom; and in the Last Day, which is the seventh millennium, which is the millennium where all the sons and daughters of God will be adopted; because the resurrection of the dead in Christ in eternal bodies, promised for the Last Day, which is the seventh millennium, and our transformation, is the adoption for all of us.

CHRIST IN HELL AND THEN IN ABRAHAM'S BOSOM
(Ministers Meeting)
Dr. William Soto Santiago

Cayey, Puerto Rico

You see how it was when Christ died?, and He went first to where the souls were imprisoned, then He went down to hell itself, and then He went up and went to Paradise, where Abraham, Isaac, Jacob and all these people were, believers in God of the past. That is why it is so important to understand what happened there, because in our time and for our time… in the message "Imprisoned souls," from where I read to you that there will be a ministry that will do great wonders, there it speaks to us that hell will be on Earth; because hell will be opened, the fifth dimension, and it will be upon Earth.

Therefore, there is no need to go down there, it will be open here on Earth already (that dimension); and therefore, just as the Lord visited those people who were in spirit, who could no longer be saved, there will be a visit.

And look, He knocked on the door, they opened the door, and He entered. That… He will know how to open the door, He will know how to open the

door in the midst of that people, and He will enter in. And we will see Him, the Lord working in that Third Pull, which will be for the world, for the Church, Christianity, and for the Bride. And He will also cover the Jews: By covering the world, it will cover the Jews. So you will see Him in that journey working, the Angel of the Covenant, in the Last Day, in this end time. And then let's remember that it was already prophesied that it would be in that form; and therefore, it will be in that form.

Remember that He has the keys to hell and death; therefore, He can enter in and come out whenever He wants.

When He was down there, and He went down there, He knocked and could enter in. And since hell, the fifth dimension, will be open and will be on Earth, He will be able to enter also.

So it is important, because it is parallel in everything. What one needs to know is what?, know the location.

And how will He do in order to manifest Himself there?, because He could not go in the body, the body cannot enter there. He had to go in the spiritual body to that fifth dimension, because it was in the spirit world. But when the fifth dimension opens here on Earth, those who will no longer have the opportunity of salvation will be in physical bodies, because the Lamb will have left the Throne of Intercession.

Therefore, the fulfillment of the Tent Vision will fulfill that too: the Third Pull. That will be the Holy Spirit working in the Last Day, operating the ministries of Moses and Elijah through human flesh. It is as simple as that.

So it will be that the Third Pull will be for the Church-Bride, the foolish virgins (or the Church, Christianity; and Christianity includes the wise virgins and the foolish virgins: those who had oil and those who had no oil), and the world, which will no longer have a chance of salvation, but they will see what is promised for this end time.

STAY WITH THE WORD - Part XII

The Angel of Jesus
Dr. William Soto Santiago

San Bartolomé Milpas Altas, Sacatepéquez, Guatemala

"Behold, I Jesus have sent mine Angel to testify of these things in the churches.[1]"

For that reason John, two thousand years ago, could see this Angel in the apocalyptic visions that he was living for two years; and then he kneeled before that Angel to worship at his feet, but he said to him: "See that you do not do it. I am a servant with you and with your brothers —worship God— who have the testimony of Jesus, your brothers; so worship God.[2]"

John saw this Angel, this ministering spirit, this theophanic spirit, showing

1 Revelation 22:16
2 Revelation 19:10, 22:9

him those apocalyptic visions; that is why John could see him, and he could see each of you also in your theophanic bodies that each of you has; that is why he could see the whole Divine Program represented in those apocalyptic visions.

So we can see the way in which John saw the Angel of the Lord Jesus Christ; and so did the prophets of the Old Testament and also the prophets of the New Testament, and the apostles and the seven angels of the seven ages of the gentile Church.

And the one who saw him the most was the seventh angel messenger of the seventh age of the gentile Church. He even saw him in that visit of the seven angels in that cloud that was photographed there in Arizona.

When the seventh angel of the Laodicean church went up to that constellation, he found that there were, all around (including him), eight angels. And he said that one of them was the most prominent, which was looking to the East, and which was the most notable to him. And he said: "This is the one that has the Seventh Seal: the Second Coming of the Son of Man with His Angels! This is the one that has the Seventh Seal, for which there was silence in Heaven for almost half an hour! This is the one that has that mystery of the Seventh Seal."

It is the Angel of the Lord Jesus Christ sent in the end time, it is the Angel for all churches, it is the Angel for all human beings, it is the Angel for the gentiles and also for the Hebrews, it is the Angel with the Seal of the living God sealing all the elect before the destruction of the gentiles comes.

And that is why Jesus says: *"I Jesus have sent mine angel to testify unto you these things in the churches."*

He is the Angel that brings the revelation of Jesus Christ, which God gave him, to manifest to His servants the things that must shortly come to pass, and He declared them by sending them through (whom?) His Angel[3].

The revelation of Jesus Christ, of His Second Coming in the end time, can only be known through His Angel; because that is why the Lord Jesus Christ has sent him in this end time: to testify of these things in the churches.

"THE ANGEL OF JESUS." For you, for me, for all the churches, for all human beings.

The Message that I bring to you is not mine, but of the One who sent me. The Message that I bring to you, I have received it from that Angel or theophanic Spirit that the Lord Jesus Christ has sent with that Message for you; and He has given it to me through His Angel, His Angel Messenger and theophanic body or theophanic Spirit that He has given me; and He has sent me to minister to you the Message of the Great Voice of Trumpet.

I have not received it from myself, but from that theophanic Spirit or Angel of the Lord, who in this end time has been sent to me to minister this Message of Great Voice of Trumpet and to testify of these things to all the churches.

It is not me, but the Angel or theophanic Spirit that He has sent me to let Him minister the Message through me.

Each of you has an angel as well, you have your angel, your theophanic body. And when it is a Message from that Angel, from that theophanic body, from

3 Revelation 1:1

that ministering spirit, those angels or theophanic spirits that belong to the elect receive it. And then those theophanic spirits are manifested in the people who belong to them. And those people then understand that Message, because it is the theophanic body of each person operating in his mind and in his heart. And that is the revelation of Heaven for each of the elect.

And what you have received and believed with all your heart, flesh and blood did not reveal to you, but my Father in Heaven, in the way He has established to bring His revelation.

"I Jesus have sent mine angel to testify unto you these things in the churches." THE ANGEL OF JESUS testifying of these things in the churches, and in all nations, and to all people. That is and for that is the Angel of Jesus in our time.

[299] And just then He picked me up. He took me up, and sit me way up high, to where a meeting was going on. Looked like a tent or a cathedral, of some sort. And I looked, and there was a little box, like, little place over in the side. And I seen that Light was talking to somebody, above me, that Light that you see there on the picture. It whirled away from me, like that, and went over that tent. And said, "I'll meet you there." And said, "This will be the Third Pull, and you won't tell It to nobody."
