They add here, or take away there, and soon the message is no longer pure, and the revival dies down. How careful we must be to hear ONE voice, for the Spirit has but one voice which is the voice of God. Paul warned them to say what he said, even as Peter did likewise. He warned them that EVEN HE (PAUL) could not change one word of what he had given by revelation. Oh, how important it is to hear the voice of God by way of His messengers, and then say what has been given them to say to the churches.

Revelation, Chapter 4 #1

Jeffersonville, IN, 12-31-60

Rev. William Marrion Branham

414 - "There's a great shaking amongst the Elect. Great, powerful thing going on, but the world knows nothing of it. / And so is the Gospel today 'Great.' And the Gospel is shaking like It's never shook before, but It's shaking in the remnant. That's right, fixing them ready. / '...I looked, and, behold, a door was opened in heaven: and the first voice...I heard was...a voice of a trumpet...' / The Voice was the same Voice that walked in the seven golden candlesticks; same Voice, the Voice didn't change. / Now, after He showed him all that mystery of them seven golden candlesticks (holding the seven stars, and a white wig on, and so forth, and feet like brass, and eyes like fire, the symbols), then he heard the same Voice (Watch.) speaking from Heaven."

Once more

We have seen that there will only be one voice: the Voice of God, the Voice of Heaven, the Voice that John said: "And when I heard it, it was the voice as of a trumpet," because the Voice of Heaven at the end of time will be the Voice as of a Trumpet, the Voice of the Last Trumpet, the Voice of the Message of the Trumpet of the Year of Jubilee, the Great Voice of Trumpet for all the elect.

And then we all say: “I want to hear once more the Voice of Heaven, the Great Voice of Trumpet, the Last Trumpet that prepares us for our transformation.”

No other voice will be able to carry out what we need. That is why we have to hold on to the Voice of Heaven, and not let any other voice reach our hearts, but the Voice of Heaven. Not to let anything contrary to that Voice move our ear and our heart away from the Voice of Heaven, from the Voice of God, which once more, on Earth, has been promised to be heard; but it will be the Voice of Heaven once more.

And we all say: “I want to hear that Voice: the Voice of Heaven, the Voice of God, to see what John saw.”

When John looked, he went up and looked, he saw a Temple, a Throne, and we will see the Throne of the Lord Jesus Christ, and we will also see the place that He said¹: “To him that overcometh will I grant to sit with me in my Throne.” We will be seeing all these things here, while on Earth, but in the Temple of the Lord Jesus Christ.

All that, the Voice of Heaven said to John as it did to us²: “Come up hither, and I will show thee all things that must be hereafter.” After the ages of the Church, everything that will happen, is promised to be made known by that Voice of Heaven, or by that Voice as of a Trumpet.

So, if we want to know well the things of Heaven, things that have to happen and things that are happening, only one Voice has promised to make those things known to us. Assure yourself well with that Voice, hold on to that Voice, put your heart and ear attentive to that Voice; because it will be the only Voice of Heaven in the final days.

The only Voice of God

(Ministers' meeting)

The secret to maintaining the revival in an age is to keep the Message pure, that God, that Christ, has given to the messenger. If ministers begin to give of their own interpretation, what happens? The revival dies, because God only backs up His Word; the only Voice of God is the one that God backs up; and that is the Voice of Christ through the messenger in every age.

How can we maintain the revival of our age, being that the revival of our age comes through the Voice of the Seven Thunders of Revelation, chapter 10, verse 1 to 11, revealing the mystery of the Seventh Seal? Well, by keeping the Message pure; that is why it has been recorded on videos, it is on tape and is also printed on booklets. And that keeps the Message pure.

For every person who wants to receive it pure, he hears it on recordings and also sees it, and hears it on videos, and also reads, and is blessed to be able to read and to be able to listen, and has the blessing: “Blessed is he who reads, and those who hear

1 Revelation 3:21

2 Revelation 4:1

the words of the prophecy of this book.³” And thus the Message remains pure and the revival remains for an indefinite time.

Now we can see why God has given us the cameras and the printing houses: so that the Message, the only Voice of God, may be kept pure and the revival of the Last Day in the Church of Jesus Christ in the Age of the Cornerstone may be kept.

When someone starts adding to it or taking away from it, giving their own interpretation, and communicating it to their congregation, remember: the revival in that congregation is going to go away; and the one to blame, who will it be? The minister; and he will have to give an account to God afterwards; because it’s not just saying: “I was wrong, I’m sorry”; he is going to truly feel it when Christ calls him to account.

So keep the Word pure, and the revival will stay in your congregation, and the revival will stay in the Mystical Body of Christ in the Age of the Cornerstone.

Look, those who have tried on their own to get divine revelation, see, what has happened with them? They have become nothing. But notice, by keeping the Word pure in our congregations, and therefore in our age, the revival continues to grow.

How does a revival grow? Well, as God calls more people, the revival passes on to other people; and so the revival grows; and it will never diminish as long as we keep the Word pure in our age, in our age and in our congregations.

When people make a denomination, the Reverend William Branham says: “That is where they die.⁴” That is as far as it goes, not just the group, but the minister, who will then have to give an account to God.

Therefore, every person has to take care of that, because it is mortal to the Church of the Lord Jesus Christ.

Now, we can see that being in the most glorious time of all times, we have to remain listening to the only Voice of God; for which God has allowed us to know which is the only Voice of God: it is the Voice of the Angel of the Lord, of Jesus Christ our Savior, who has been speaking from age to age through the messenger of each age.

And for this end time, He says⁵: *“I Jesus have sent mine angel to testify unto you these things in the churches.”*

That Message testifying of these things is the only Voice of God, because it is the Voice of Jesus Christ in Holy Spirit speaking to His Church in the Last Day through His Angel Messenger, and making known to her all these things that must happen soon, in this end time.

Therefore, let’s keep in our soul and in our congregations, and the heart of every believer, the only Voice of God; so that by hearing the only Voice of God, we may all be prepared, mature to be changed and taken with Christ to the Marriage Supper of the Lamb.

The benefit is for all of us. Therefore: “If you hear His Voice today (the only Voice of God), do not harden your heart⁶”, as the Hebrew people did back then in the wilderness and as they have done throughout the ages when the messenger has

departed: they have stopped listening to the only Voice of God and have heard their own voices, and have become denominating; and each age has died there. That was the way in which each age died.

Now, the seven ages are over, they already died, their messengers died, and those ages also died spiritually; but there is an age that is alive: the Age of the Cornerstone, because it has the only Voice of God, the Voice of Christ, the Angel of the Covenant, the Holy Spirit speaking to us all these things that must happen soon.

And He will continue to speak and we will continue to listen; and thus we will stay alive spiritually, and our congregation will stay alive, and our age in which God has placed us will remain alive.

THE ONLY VOICE OF GOD: That is a living Voice, which is appointed for the Last Day as the Great Voice of Trumpet. It is the Voice of Trumpet, the Voice of Archangel, it is the Voice of Christ, the Angel of the Covenant in the Last Day, speaking to us all these things that must happen soon, in this end time.

This is how we will reach our transformation: by hearing the only Voice of God, which is a living Voice, which speaks to us and reveals to us all these things that must happen soon.

It is not a human voice, but a Voice of Heaven: the Voice of Christ from Heaven revealing to us all these things that must happen soon, in this end time; but He has to use a man, a messenger, to transmit His Message to His Church, in order to be heard by His Church and by each member of His Church.

“THE ONLY VOICE OF GOD.”

If we were in the seventh age, the only Voice of God for the seventh age was the Voice of Christ through the seventh angel messenger, see? But now we are in the Age of the Cornerstone, where He has His Voice speaking to us and making known to us all these things that must happen soon.

Now, we don't reject or discard what Christ spoke through His angel messengers and the apostles of past ages: all of that is collected, all that past revelation is collected at the Last Day, and placed (where?) in the age relevant to our time.

And every Word that was spoken and had not been opened to the public, that the meaning of that Word had not been opened, which was spoken by the messengers, the apostles, and the angel messengers, or the Old Testament prophets, or by Jesus, is opened; and it is opened at this time and the meaning is made known to all of us. And all this, in the true Voice of God for today. There will be all that we need to understand in order to receive the faith to be changed and raptured, to receive the rapturing faith and to go with Christ to the Marriage Supper of the Lamb.

Everything is in that creative Word of God for our time, which is the only Voice of God, the Voice of Christ, the Angel of the Covenant, speaking to us in this end time all these things that must happen soon, as He promised.

But that Voice of the Holy Spirit has to come through an instrument that He has promised for this end time; and that instrument is the Angel of the Lord Jesus Christ. Christ said: *“I Jesus have sent mine angel to testify unto you these things in the churches.”*
