

And in the midst of that wonderful time we will escape from the claws of the beast and from the image of the beast, and we will have a total victory; and it is the Victory of Divine Love. And we will inherit all things.

GOD BRINGS HIS PEOPLE OUT OF AN IRON FURNACE**

So it was in the second exodus with Jesus and so it is for this end time. But when this squeeze comes, remember: It's because we will be ready to leave the earthly iron furnace! We will be ready to be physically free as well! We will be ready to be transformed.

And when we are transformed, we will be completely free, to such a degree that not even a flu can get to us, much less death, because death will already be conquered, because Christ will have given us the victory.

Now, we have the story of the first exodus, everything that God did, how He did it; and we also have the story of the second exodus carried out by Jesus.

And now it is our turn to live in our own flesh everything related to the third exodus and all the preparations for this third exodus, this departure that we must have from this earthly dimension, from this earthly body, where we will obtain the redemption of the body. In other words, we who are alive will obtain the transformation of our bodies, and those who have departed will receive the resurrection in eternal bodies.

And just as the heavenly hosts were present for the deliverance of the Hebrew people in the first exodus there with Moses...; and also for the second exodus as the heavenly hosts were... Were there not two men who were there when Christ resurrected? And then, later on, when He ascended to Heaven, didn't two heavenly men appear again; in other words, two Angels? It says they were two men, two men, but from another dimension. If we said it in terms of people from other dimensions, we would say: "extraterrestrials."

TITLE: THE DELIVERANCE OF ABRAHAM'S SEED

*Dr. William Soto Santiago

ROMANS 8:19-23

¹⁹ *For the earnest expectation of the creature waiteth for the manifestation of the sons of God.*

²⁰ *For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope,*

²¹ *Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God.*

²² *For we know that the whole creation groaneth and travaileth in pain together until now.*

²³ *And not only they, but ourselves also, which have the firstfruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, to wit, the redemption of our body.*

Beginning and ending of the gentile dispensation**

*Rev. William Marrion Branham

“‘And at that time, Michael shall stand, the great prince.’ Michael was Christ, of course, Who fought the Angelic wars in Heaven, with the devil. Satan and Michael fought together, or fought against each other, rather. And, now, ‘And at that time,’ he said, ‘as many was found written in the Book was delivered.’”

A true sign that's overlooked**

*Rev. William Marrion Branham
Jeffersonville, IN, 11-12-61*

“Israel could not get into action down there, with signs and wonders, until they fell on their face and prayed for a deliverer. God had His deliverer. God had a prophet hanging up there in the wilderness, kept him there for forty years, waiting for them to get right, to pray. But when they got right and started praying, then God sent the deliverer. God will do the same thing today, if the people would just get together, get to praying.”

The Fifth Seal**

Rev. William Marrion Branham

“Have you caught anything? I just wondered if you was. See? Yes, sir. I might not have to tell you then, Sunday. Notice. Notice. Wonderful! Now, now, notice now. And then according to the—the time that God was going to deliver the an-

tediluvian world, He sent the eagle. And time He was going to deliver Israel, He sent the eagle. Do you believe that the time, even on John, on the Isle of Patmos, this Message was so perfect that He couldn't trust It with an Angel? You know, an angel is a messenger. But do you know the messenger was a prophet? You believe that? Let's prove it. Revelation 22, let's see if it was an eagle. Yeah. See, he was a... Sure, he was an angel, he's the messenger, but it was a prophet that revealed this whole Book of Revelation to him."

SPEAK, WE HEAR

Dr. William Soto Santiago

God is delivering His people. Delivering them from where? From the house of hell, the Laodicean Age, which is a denominational age; and having been dominated, well, what is it? It's the house of hell.

Then that house of hell must fall, that house of hell must have its doors broken, its bars broken, in order for those who are there to be set free; whom we love very much. Then they must be broken in order for those who are there to be set free.

Well, he found his body very small, perhaps the body of Moses; then when it was fulfilled here... when it was fulfilled there, his body, when he delivered the Bride...; but it was not only the Bride, it is more than that, it is those who are in there; which is fulfilled when? It is fulfilled when Moses appears. And then by the spoken Word... because brother Branham says that what he did was to speak; he said that the small body's strength he can't do anything.

Therefore, he spoke and the bars were broken; there was a roar and those who were in there went free. That tells us what? Of the deliverance of God's people, which is promised that they will be delivered. We are already delivered, but there are more that are in there that need to be delivered; the foolish virgins need to be delivered, they need to be delivered.

Therefore, if they have to be delivered then (then what?) the Word of God must be heard. And if the Word of God has to be heard, then what? It has to be spoken. And if it has to be spoken, God has to say to someone: "Don't cry out, speak!" What is he going to speak? He has to speak what pertains to this time for the deliverance of those who have to be delivered. And what has to be spoken? The Message that pertains to this third dispensation, the Word must be spoken; and the rod must be extended. "Speak to the people." Do you see who he is going to speak to? The people. "Speak to the people and extend the rod."

THE GREAT CONQUEST

Dr. William Soto Santiago

May 10, 1980

Therefore, He will be able to say to the people: "Do not fear, do not be afraid; for there are more that are with us than those that are against us." So said Elisha to his servant, and so it will be at this time too, because there will be an Elisha at

this time who will be able to see the other side and he will be able to see that the heavenly hosts are at his side; because it is the great time for that battle, where there will be a great conquest, which will be in favor of the people of God.

We are told that there will be a battle and a victory in divine love. That battle will be to conquer all the powers of the enemy, to defeat the powers of the enemy and to deliver all the people of God; and then freedom can be proclaimed for all the people of God.

It is the time, then, of the great battle for the great conquest in divine love; and that battle will be in this end time: The Lord with His power against the power of the enemy, which will also be manifested at this time; but the conquest in divine love will be overwhelming. And then those who are in the Scripture as the multitude that no one could count will be delivered. They will rejoice, because the bars will be broken; the bars of the prison where they are will be broken because the Conqueror, one stronger than Samson, says that He descends from Heaven and cries as when a lion roars; and when He has roared, Seven Thunders utter their voices.

And then, the Voice of those Seven Thunders, the Message of those Seven Thunders, the revelation of those Seven Thunders, is the Word of God, the Message of God for this time, which proclaims freedom, proclaims the Year of Jubilee, proclaims the time of deliverance for all those who can hear It.

And then the prisons, spiritual prisons, and spiritual bars that hold all those who are written in the Book of God, those prisons will be broken, those bars will be broken; and they will be set free. And then they will also be able to say: "We are free!" That is done by the Conqueror, the Mighty Angel that descends from Heaven, with His Message; He produces that with His Voice.

Therefore, we know that there will be a great conquest in this great battle. It is the conquest of the Great Conqueror, the Mighty Angel that descends from Heaven, according to God's promise. And that Mighty Angel that descends from Heaven is the Lord Jesus Christ in His Second Coming, He is the messenger to Israel; but He comes for the gentile Bride, because the time of the gentiles is over. And He comes for Her to, with His Voice, with His Message, with the Seven Thunders, give Her the faith for the rapture; because otherwise She can't be raptured.

THE OVERCOMERS OF THE END OF TIME

Dr. William Soto Santiago

Sunday, January 12, 1992

Cayey, Puerto Rico

There is a squeeze coming, that will be the last thing, but it's pointed out. And there... , the promise says for us that there will be a powerful manifestation of God in favor of us the elect, in favor of the rest of the Church of the Lord Jesus Christ, in other words, the rest of the Body, the rest of the believers; and there will be a manifestation that even the world will see: it will be the manifestation of the Lord Jesus Christ in all His fullness, covering not only the elect but the whole world, where the iron bars will be broken for the deliverance of other people. It will be a hard time, but a wonderful time.
