1065 – “He was the a-vindicated Light of that day. See? But there’s more Word to be a-vindicated. He’s got to vindicate more Word. And when the last Word is vindicated, is vindicated, rather, then death is swallowed up in victory, and the dead in Christ shall rise, the Millennium will set in, and it’ll be one great Peace, Shalom.”

296 – “And I was laying there like this. And I said, “Well, I just wonder what it will be, the other side. I am already fifty, and I haven’t done nothing yet. If I could only do something to help the Lord... (...) And I looked. And I heard Something, kept saying, ‘You’re just starting. Press the battle. Just keep pressing.’ (...) And here come Hope. That was my first wife. She run, and never said, ‘My husband.’ She said, ‘My precious brother,’ and when she

hugged me. There was another woman standing there, that hugged me, and then Hope hugged this woman; and each one. And I thought, ‘Oh, this has to be something different. It can’t be... There’s something...’ I thought, ‘Oh, would I ever want to go back to that old carcass again?’ I looked around then. I thought, ‘What is this?’ And I looked, real good. And I—I said, ‘I—I can’t understand this.’ But Hope seemed to be like, oh, a guest of honor. She was no different, but just like a guest of honor. And I heard a Voice then that spoke to me, that was in the room, said, ‘This is what you preached was the Holy Ghost. This is perfect Love. And nothing can enter Here without It.’ I am more determined, than ever in my life, that it takes perfect Love, to enter There. (...) And they screamed, all at once, said, ‘If you hadn’t have went, we wouldn’t be Here.’ I looked around. I thought, ‘Well, I don’t get it.’ I said, ‘Oh, where is Jesus? I want to see Him, so bad.’ They said, ‘Now, He is just a little higher, right up that way.’ Said, ‘Someday He will come to you. See?’ Said, ‘You were sent, for a leader. And God will come. And when He does, He’ll judge you according to what you taught them, first, whether they go in or not. We’ll go in according to your teaching.’ (...) And them people screamed, and said, ‘We know that. And we know we’re going with you, someday, back to earth.’ Said, ‘Jesus will come, and you’ll be judged according to the Word that you preached us. And then if you are accepted at that time, which you will be,’ and said, ‘then you will present us to Him, as your trophies of your ministry.’ Said, ‘You will guide us to Him, and, all together, we’ll go back to the earth, to live forever.’”

He who can destroy death

And with that manifestation of Christ, where He will resurrect the dead in Christ in eternal bodies and transform us, He will destroy physical death for the sons and daughters of God; because then we will have an eternal and immortal and incorruptible body.

Now notice, from the physical aspect, that is the moment when this divine promise will materialize for God's elect. Not for everyone: The rest of the human beings will continue living in mortal, corruptible and temporary bodies. But the elect, from that moment on, will already be physically immortal; because we will have the eternal, immortal, incorruptible and glorified body, and young for all eternity.

Now, already, spiritually, death has already been destroyed for us, when we obtained the Spirit of Christ and thus obtained the new birth; we already have eternal life. That is why we live a calm life on Earth, knowing that if our earthly body, our earthly house dies, is destroyed, we have a building not made by hands, a theophanic body of the sixth dimension, in which we are going to live. And then, for the Last Day, we have the promise of a resurrection for the departed and a transformation for us who are alive. Having such promises, then, our life here on Earth is a peaceful life. "My peace I leave with you, my peace I give unto you; not as the world giveth; give I unto you."

And now, having such promises, we remain serving Christ and we remain receiving His Word, His divine revelation for our time; and thus being prepared for that great event where physical death will be destroyed in the sons and daughters of God; and every gene of death that our body has, will disappear; and the whole physical body will be transformed: We will be changed in our atoms; and in the new body there will be no atoms of death: all of and with eternal life.
