**God Hiding Himself in Simplicity,
Then Revealing Himself in the Same – Page 51**

Rev. William M. Branham

³³⁹ But now wait. In closing, we say this. But to reject God’s simple Message; to—to—to reject It, God’s simple way, is to be destroyed Eternally. Now, that’s how much... We talk how simple It is, and people think, well, they can laugh at It and run over It, and treat It any way they want to, but it’s Eternal separation from God.

³⁴⁰ Those who died in the days of Noah, and did not listen to his message, they perished. And Jesus went and preached to them in the chains of darkness, in His death, before He rose up. And He went to hell, and preached to the spirits was in prison, that repented not in the longsuffering of the days of Noah; while a simple message of God, by a simple man, was being preached. He went. He said, “Noah preached that I would be here, and here I am.” That’s right. See?

³⁴¹ Those who failed to listen to that prophet’s message, Moses out there in the wilderness, that he received from God, properly vindicated by a Pillar of Fire, and was led out in the wilderness. And then try to raise up and make an organization by it, and they perished and died in the wilderness, every one of them; but two men, Joshua and Caleb.

²³⁷ Now, I might just give the individual a little shake here. To refuse God, to refuse God’s call, you’ll do it the last time sometime. And, just like that church did, it’s over. God, patience, will not always strive with man.

54 – “Them hundred and forty-four thousand will stand yonder. And one of these days, some Divine, holy, anointed prophet of God will go over there with signs and wonders. Those Jews will say, ‘That’s what I’m looking for.’ Yes, sir. And God will baptize a hundred and forty-four thousand Jews. And the Rapture will come; the Gentile age will cease. The atomic bomb will explode and take the world. And the Gentile Church will be raptured up, to stand there in the Presence of God.”

399 – “Now, 1914, the world went to a war, and they have never been at peace since; constantly swinging in, swinging in, swinging in, and they’re doing the very same thing yet. And what was they doing? ‘Holding!’ O God, have mercy! Holding that great thing that I saw in the vision (the whole thing become to destruction), holding the atomic, holding the wars that they don’t destroy themselves until the thing comes to destroy it; until Israel returns back and gets herself together, and then the Message will go to Israel and she’ll be sealed with that seal of the Holy Ghost.”

THE TRIAL OF OUR INHERITANCE IN THE HEAVENLY SUPREME COURT

The tares, in the parable of the wheat and the tares, will be bound in bundles and will be burned. That is what Christ will do in the great tribulation: burn the tares with atomic fire, and other divine judgments that will fall upon the Earth. And so the tares will be removed, the invaders that have invaded the inheritance of God’s sons and daughters.

It will be a hard time for mankind, the period of time of the great tribulation; because it will be the time where God from Heaven, the Judge of the living and the dead, will send His marshals, will send His Armies, to carry out the eviction of those who have seized the inheritance of the sons and daughters of God.

The great tribulation and the judgments of the great tribulation will be God sending His heavenly Armies to take out of this Earth the devil, the antichrist, the beast, the man of sin, with all those who will be with him.

The beast and the ten kings, and all those who will be with him, will be taken out of this planet Earth, they will cease to exist: they will be cast into the lake of fire, in fire; and even the beast and his kingdom and his throne will be destroyed with fire, atomic fire, atomic bombs.

It will be a very hard time for the kingdom of the antichrist. But that is the way the devil and the instrument of the devil will be evicted, which will be the antichrist, the man of sin; and the kingdom of darkness, which took the inheritance of the sons and daughters of God, will be removed from the Earth.

THE ESCAPE SIGNAL

Dr. William Soto Santiago

Cayey, Puerto Rico

The president of the United States has always been the president of the nation, the head of what? The head of the nation in the economic, political and in military matters too. And didn't you know that he is also the head of the nation religiously, but he has never made use of that openly? Because that lamb, which is the United States of America, has two horns, which is the political and the religious power.

We have been seeing the United States of America in their political environment, but when, you know, the same thing that happened to the beast happens to them, that their political power falls to the ground, then it will rise up with its ecclesiastical power through the World Council of Churches; and then its head, then it will be the one that will command.

So the president of the United States of America is the head of that lamb that speaks as a dragon; that will be given spirit to act, to work; and the same thing that Rome did back then, with what was granted to her, so also will the image of the beast do, do you see?

Now, can you explain how the United States, after a catastrophe like the one that awaits it, will be able to get back on its feet? You can already see how it will be. In that they will make their pact there with Rome, they will also make the Jews fall into that deception. Religiously they have already been uniting, and politically they have already been taking their steps and carrying out all those plans; they already have everything advanced, they have everything prepared. And there the Jews will lose all the money; and the beast breaks the covenant with the Jews. And then, you can see everything that is going to happen.

Then, we find that the beast is going to be burned by communism. We see then that the beast makes a covenant with ten kings to rule for three days, or three and a half days, and then brother Branham says: “Those ten kings are talking about communism.” Do you see? So there is going to be a control in the aspect... in other words, the thing is going to be controlled from the religious aspect, embracing then the political aspect; and Rome will be at the head of all that, and it will be the fourth empire; but it says that communism, Russia, is going to bomb the Vatican, it is going to bomb it with atomic bombs and burn it.

So, just as God puts it in the heart of those ten kings to make a covenant, then He puts it in their hearts to forget the covenant and destroy it, and realize how bad it is. Do you see? So, you can see... Of these things, we have to gradually receive them in this way. I myself don't know them all (these things), and what we have talked about these things I have told you as God has... has been giving me these things.

And now we see more clearly who will be the leader of the image of the beast. When it loses its leadership over – as a political empire, then it will turn to its leadership as a (what?) religious empire. In other words, of the two horns, then we see, of those two powers, that the last one that he will openly use will be the religious power, the ecclesiastical power; and we will be here in the beginning.

It is to persecute us; and then when... you know that we are going to escape from them, then they will go after those who were with us, who were not of the chosen group but who believed and went out believing from wherever they were. And they will rise up against the seed of the woman: Those who keep the testimony of Jesus Christ, who recognize Him as King of kings and Lord of lords in His Second Coming, and those who keep the commandments of God, which are the 144,000.
