Christ is revealed in His Own Word

Jeffersonville, IN, 8-22-65

Rev. William M. Branham

1427 – “Now in this last days, He has promised to manifest Himself in the fullness again, of His flesh, in Spirit. See? ‘For as it was in the days of Sodom, so shall it be in the Coming of the Son of man.’ Now look at the Sodom, how it set, and what taken place. And Jesus Christ being manifested in bodily form, of His Church today, see, doing the same thing, same work, same things that He did all the time, never changes, the Eternal One. / See, the Son being revealed in the last days, God manifested in human flesh, setting just before Sodom’s destruction, the end of the Gentile world.”

**THE SENT ONE OF JESUS CHRIST TO DO CHRIST’S WORK
FOR THE LAST DAY, AND THE MAN WITH THE CELESTIAL MISSION**

On another occasion we will see that Angel doing some other things before coming in human flesh in the Last Day. As God allows us to go deeper into the mystery of that Angel, we will see all the details of that Angel and we will see that everything is simpler than we could imagine. But in the meantime let’s enjoy the Work carried out by the Man with the heavenly mission (Jesus Christ), and let’s also enjoy the revelation of all these things that must happen soon, which are being made known in this end time, for which Jesus says:

“I Jesus have sent mine angel to testify unto you these things in the churches.” That is the Sent One of Jesus Christ to do the Work of Christ, both to make known the things that must happen soon and also to do the Work of Christ in the other aspects of the Work that God has promised to carry out in this end time.

We have seen that there was a mystery in Man with the heavenly commission, and that there is a mystery in the Angel of Jesus Christ, the Sent One by Jesus Christ to do the Work of Christ; that mystery, as it is being manifested, is carrying out the Work of our beloved Lord Jesus Christ.

The Archangel Gabriel announced the First Coming of Christ (Reverend William Branham says), for he announced it to Mary. And Reverend William Branham says: “He will announce the Second Coming of Christ.” He announced to the virgin Mary the First Coming of Christ and He will announce to the spiritual

Mary, the Church of Jesus Christ, the Second Coming of Christ.

We have seen that there is a great mystery there in the Angel of the Lord Jesus Christ, which I hope will soon be fully opened, or at least half of it; for yet, we have not yet reached half of the mystery of this Angel; but we will get there at some point, and then we will see clearly who is that Angel in the sixth dimension, and who is that Angel in this earthly dimension being sent by Jesus Christ to testify of these things in the churches.

When those ministries of Moses and Elijah begin to speak to us, they will be speaking to us the Word, the revelation of Jesus Christ, the apocalyptic revelation, the revelation of the Thunders, where the faith for the rapture is, where the faith to be transformed is.

Therefore, when those ministries are giving us that apocalyptic revelation, when those ministries are making known to us what the Thunders spoke, they will be giving us what we need to be adopted, to be transformed and then raptured.

That is what the updated ministry of Moses and Elijah will bring to the children of God from among the gentiles; that is why God will send those ministries, and the promise of the adoption of the children of God will be carried out.

Therefore, the Two Anointed Ones which stand before the presence of God, which correspond to the ministries of Moses and Elijah for the Last Day, and they already know how to do the things which are spoken in Revelation, chapter 11, which the Two Anointed Ones will be doing, the Two Olive Trees, who will have control upon all of nature.

Reverend William Branham says that they will have control over all nature, and will make nature work in their favor and in favor of Israel. They will be able to speak what they have to speak according to God's direction, who will tell them what to speak, what they should speak in each moment; and so it will materialize, so it will happen.

That was being reflected in the different things that were reflected in the ministry of Reverend William Branham, relevant to the Third Pull which will be manifested in the midst of the Church of the Lord Jesus Christ; where he showed who God said to him: "Speak to the storm," a snow storm which was about to fall in the place where he was hunting with his friends, and if that storm came they would die; they were in the mount, in the mountain; but God told him through His Spirit: "Speak to the storm and it will obey you." He spoke the word and the storm left. That is power over nature.

In another occasion there was also a need of speaking salvation for the sons of a believer, Hattie Wright, and he spoke for salvation, he said to her: "I give them to you in the Name of the Lord Jesus Christ," and the boys came weeping to the Feet of Christ. That is salvation for the family of the believers, which will also happen because that corresponds to the Third Pull.

And his wife also had a problem in one of the ovaries, for which she could not bear the son God had promised Reverend William Branham, and he believed it; and God said to him, when she was going to be operated: "Whatever you say, so shall it be"; and he said: "May the tumor disappear before the doctor touches it." He was going to operate, he was going to check well, he was going to touch to know where the tumor was; and when the doctor went to touch, search and touch where the tumor was, he didn't find it, it disappeared. That is the creative Word being spoken and being put into action, fulfilling what is spoken.

As Jesus said: "Receive thy sight," and the people that were blind would receive it; He would say to the paralytics: "Rise." Jesus Christ didn't have to be praying, but rather speaking. Thus we see... For example, when He resurrected the son of the widow of the city of Nain, He said to the young man: "Young man, rise," and he arose. That is the creative Word being spoken: It performs that which is spoken.

Also on an another occasion there was a little fish that was caught and brought out of the water and it was very small, and when they pulled the hook out the insides of the fish came out and they threw it back into the water, and half an hour later the Holy Spirit says to Reverend William Branham (they are fishing in the boat, in the boat and he sees it), and says to him: "Speak to it, speak to it to life." He tells the little fish the word of life, and the little fish came back to life. It represents the believers in Christ who died, who will hear the great Voice of Trumpet or Last Trumpet, and will come back to life in glorified bodies.

And that of the ovary that was healed, the tumor was removed from brother Branham's wife, Meda, it speaks to us of the Coming of the Lord because Joseph represents the Second Coming of Christ; and there I will not explain much, since sister Meda Branham represents the Church of the Lord Jesus Christ at the time of the Reverend William Branham.

There is another one: the creation of squirrels. He went hunting with his friends and they didn't find any squirrels to hunt, and the Lord said to him: "Didn't you come to hunt? How many squirrels do you want?" And he said to Him: "Three." And then it was said to him: "Speak them!" In other words: "Speak them into existence, speak the Word." He was very surprised, but he believed, because it was the same Angel of God that always spoke to him, was speaking to him.

He spoke: "Let a squirrel appear on that branch, and I will shoot it and hunt it." It appeared and he hunted it, he went and looked for it, and he saw that it was bleeding. Visions don't bleed, it was a reality. And he was very happy.

And he says: "Didn't you ask for three? How many did you ask for? Speak. Whatever you say will happen." He spoke again, he said where he wanted the other one. "Where do you want the other one?," the Angel asks him. "Where

do you want the other one?" He says: "In such and such a place a squirrel will appear." They are the kind of squirrels that you eat, not the kind you don't eat; in other countries, they are the kind you can eat.

He spoke, he shot it, he hunted it, he went, he looked for it: it bled too; it was not a vision, but it was a reality that came by creation; because the Word of God is creative and was placed in him to speak it; because God places His Word in the mouth of His prophets. When they speak, it is not human speech but the Word of God; that is why we have the Bible, the Word of God, because it is the Word that He inspired His messengers, His servants.

Then he says... he wants to leave, it seems. The Angel says: "Didn't you ask for three? How many did you want?"

—"Three."

—"Well, where do you want the third one?"

And he thought: "I'm going to think of a very difficult place, a place in a tree where it is impossible for it to appear." It seems that it was a poisonous tree or something, where... squirrels don't eat from that tree, nor from its fruit, a place they don't like.

Remember that the squirrels represent the creative Word of God, the product of the creative Word of God that has been spoken, and therefore represents the spiritual food for the end time sons and daughters of God.

And he pointed to the place, he spoke the creative Word, and it appeared and hunted it, found it, saw that it bleed and took them, and then they ate them, they prepared them; because those squirrels are the kind that are used to eat, they are edible there in North America; and they represent the Word of God for the Last Day for all the sons and daughters of God, which is the product of the creative Word being spoken and bringing us the spiritual food for the Last Day, for the time we are allotted to live in, for the stage or age relevant to the Last Day.

And over there on page 119 of the book of *Quotations*, it says: "What you saw in part, as far as the Third Pull is concerned, will be manifested, will be seen in all its fullness."

Therefore, he only had the sample of what the Church of the Lord Jesus Christ will have in the Last Day under the manifestation of the Holy Spirit; and that is promised to be manifested as the Third Pull in the midst of the Church of the Lord Jesus Christ; and all that is what he also points out that the Third Pull will be in the fulfillment of the Vision of the Great Tent Cathedral that he saw; and he went in and saw everything that was happening.

In another place he also says that the wonders, miracles, signs and all this, will be for Moses and Elijah, the Two Olive Trees; so there is going to be something great, a biblical mystery that will be manifesting in the Last Day in the midst of the Church and then in the midst of the Hebrew people.
