

there will be a small wooden room, where the presence of the Pillar of Fire will be, which is Christ in Holy Spirit; where the Angel that accompanied the Reverend William Branham will be; and where the Reverend William Branham went.

And he was there seeing all that was going on; and he also saw – or heard a name, which he then sought to see what that name was. But he was not allowed to speak about what he saw there, and about the name he was looking for after he had seen and heard it in that little room...; to which the sick, paralyzed, blind, and other sick people, with different problems entered; they entered through one door and came out through another door healthy; and they gave testimony of what disease they had, or health problems, physical, and they had been healed. But when they were asked: “What happened there?”, they couldn’t explain it, they didn’t know how it had happened, but that before they had a certain disease or physical problem, and now they didn’t have it anymore.

Reverend William Branham said that the Angel told him: “That will be the Third Pull, and you will not tell anyone.” And the Third Pull is a full manifestation of Christ in Holy Spirit in the midst of His Church in the Last Day, where He will give the faith to be transformed and taken with Christ to the Marriage Supper of the Lamb.

Therefore, the goal of the Church of the Lord Jesus Christ will be to reach the fulfillment of that Tent Vision, where each believer in Christ of the Last Day will receive the faith to be transformed.

It doesn’t matter what country he is in, it will reach him via satellite or internet, or in different ways: as recordings, and it will also come out through books, and also through the press; and therefore, that will be the revival of the Last Day for the Church of the Lord Jesus Christ, which will be produced by the Voice of Christ, the Angel of the Covenant, “crying as when a lion roars, and seven thunders uttering their voices,” according to Revelation, chapter 10; for it is the Seven Thunders of Revelation, which is the Voice of Christ, which will give the final revival to His Church, and will consequently give her the rapturing faith, the faith to be transformed and raptured.

Rev. William M. Branham

63 – “I believe it’s coming to a time where the... Paul said, ‘Where there is prophecies, it shall fail; where there is tongues, they shall cease.’ I believe it’s coming to a time till when the saints will get together like this, and just a love spirit will just sweep over the audience. And just, every person in there, all that’s wrong will be taken out. It’ll be such a Presence of the Holy Spirit. (...) I believe gifts are wonderful, and we need them and respect them. But I believe the time is coming when it’s going to be on a higher standard than that. Why, ‘After all these things is done away, that which is love will endure forever.’ See? It’s the love of God. We’ll just—we’ll just be standing, preaching like this, or talking, and just the love will just settle over the building.”

GOD GIVING WISDOM AND INTELLIGENCE TO HIS CHILDREN TO DO THE WORK THAT HAS BEEN ENTRUSTED TO THEM

For the Last Day, just as in different times, different ministers have had different meeting places, and also pastors have had their churches where they meet weekly one, two, three, four, five..., up to five and even seven times a week; there is a promise from God for the Last Day where there will be a Great Tent Cathedral, and where

thousands of people will gather, and where the most important thing will be: the presence of God.

And that presence of God will be a blessing for the people, for thousands of human beings; because before the beginning of the period of time called the great tribulation or Jacob's squeeze, where the divine judgment will fall upon the human race, before that, humanity will also be going through a difficult time with so many earthquakes, tidal waves, tsunamis, volcanoes, global warming, the ozone layer that is already affected with a very big hole, and also the solar winds.

We are in His presence; therefore, let us be people who understand the entire Divine Program, and aware that soon the dead in Christ of the past ages and some of our departed ones will be resurrected, and soon we too will be transformed.

And soon a squeeze will also come for all the children of God; but it will only be a squeeze for the elect from which we will escape by being transformed; they will no longer be able to harm us, because we will already be in an eternal body.

But the rest, the foolish virgins, will be persecuted; not in a squeeze but in a persecution, as there were in past years and in past centuries and in past ages, such as the ages of obscurantism.

It will be a persecution to death, which they will raise against the foolish virgins, who didn't have oil, who didn't have the Holy Spirit in the most holy place. They were not in the Most Holy Place, where the Holy Spirit was; therefore, they, not being in the Most Holy Place, they then didn't have the Holy Spirit, they had not received Him, the Holy Spirit, which is the Lord Jesus Christ, the Angel of the Covenant in His Coming as Lion of the tribe of Judah, as King of kings and Lord of lords, revealing Himself in the Most Holy Place of His spiritual Temple through His Angel Messenger.

That is why we want the Tent Vision to be fulfilled soon; because we know that there will be where the Pillar of Fire, the Angel of the Covenant, Christ in Holy Spirit Himself, who has been in His Church from age to age, from Jerusalem and all Judea and all Israel, and then Asia Minor among the gentiles, and then Europe in five ages, and then North America (and in North America in the seventh age, accompanying Reverend William Branham and accompanying the believers in Christ); will pass to a full manifestation in the Last Day, in the midst of the Church of the Lord Jesus Christ, which somewhere will have the fulfillment of a Great Tent Cathedral, where the presence of God will be, the presence of Christ in Holy Spirit, in the Pillar of Fire; and from there all that divine revelation, all that divine manifestation will be extended, through internet, satellite, television, and so on, for all the believers in Christ of all nations.

Remember, we don't know the year, much less the month and the day, in which the resurrection of the dead in Christ will occur; but we do know that it will be in that fourth stage of the restoration of the Church, which pertains to the Age of the Cornerstone, where all believers in Christ who will be transformed and taken with Christ to the Marriage Supper of the Lamb will ascend. And it is at that stage where the resurrection of the dead in Christ will take place, to meet with the believers who will be alive at that stage of the Church of the Lord Jesus Christ.

It is in that stage of Cornerstone where the Pillar of Fire will fly to a Great Tent Cathedral that that stage or age will have; and where
