**THE SEVENTH SEAL AND THE DAY AND THE HOUR  
OF HIS COMING**

And now for the Last Day, we find that before the beginning of the seventh millennium, the sign of the Son of Man already in heaven, just as the sign of the Son of Man in heaven was before the beginning of the fifth millennium, there was the Star of Bethlehem appearing for two years approximately.

And now, notice how after the forerunner of the First Coming of Christ, the next prophet who would come would be whom? The forerun, in the fulfillment of the Coming of the Angel of the Covenant veiled in human flesh, in a young carpenter from Nazareth called Jesus.

The problem they had, not God, nor Jesus, but the wise and knowledgeable in theological matters of the Hebrew religion of that time, the problem was where? They had the problem with the veil of flesh; that is where they stumbled.

For that is the Cornerstone, the Stone of stumbling for the great wise and knowledgeable men of that time; and that will be the same Stone where the wise and knowledgeable men of this end time will stumble; both the beast and the ten kings will stumble, they will stumble with that stone not cut from hands.

In other words, the kingdom of the gentiles in the stage of the

feet of iron and clay will stumble with that Stone, with the Stone of the Second Coming of Christ. And they will stumble because of the veil of flesh; they will stumble because of the Word, the Angel of the Covenant, which is the Word, who will come made flesh, incarnated in the Last Day, in a man of the Last Day, who will be the Angel of the Lord Jesus Christ.

## **THE DEFINITIVE VICTORY OF THE SEVENTH SEAL OVER SATAN**

And now, notice what the forerunner of the Second Coming of Christ tells us. He says:

*“That’s when Elijah and Moses... There’s where the miracles take place. The things that the people’s been looking for, the Pentecostals, for miracles, that’s where that’ll take place in that—under them. See, that’s Elijah’s and Moses’ (...) We’re just to wait on the coming of the Lord.”*

In other words, the opening of the Seventh Seal, the fulfillment of the Seventh Seal, which is the white horse Rider of Revelation 19, who comes, from where? From the West. Just as the First Coming of Christ was fulfilled in a veil of flesh from the East, from the land of Israel, the Second Coming of Christ, the Coming of the white horse Rider of Revelation 19, is coming fulfilled in a man from the West; that is where Jesus Christ comes in Holy Spirit manifested in human flesh, that is where the Word comes, the Word incarnate in a man. In a man from where? From the West, from the western continent.

(...) Through that manifestation of Christ in His Angel Messenger, the human race will know these divine judgments that will come upon the Earth, upon the human beings, during the great tribulation; just like through the radio and television, when there is bad weather we can know the weather conditions, and we can know which storm is coming and from where that storm

comes and how many miles or kilometers that storm is moving; likewise, through God's television, which will be the Angel of Jesus Christ, human beings will be able to know what storms will come during the great tribulation, and thus, they will have the opportunity to know those divine judgments that are to come upon the Earth, because they will be communicated to the human race through the ministries of the Two Olive Trees, the ministries of Moses and Elijah manifested on Earth.

Now notice, these ministries are the ones that will be in the Angel of Jesus Christ manifested by the Holy Spirit, and the ministry of Jesus will also be manifested; and the Hebrew people will see this powerful manifestation of the Third Pull, this powerful manifestation of Christ, who will be coming at this Last Day in human flesh.

It will be the Coming of the Word, the Word incarnate in a man; and through that man, He will be opening all these mysteries to us; and then, through that man, Christ will be carrying out great miracles, signs and wonders worldwide. But first comes the Word being spoken, and then, those signs and wonders will be a confirmation or re-confirmation from God for that Angel Messenger; God will be confirming or vindicating him worldwide as His promised Messenger for the Last Day.

In other words, before the world and before the Church, the foolish virgins, Christ will be confirming, that is, vindicating who is His Angel Messenger promised for the Last Day; but by that time, there will no longer be an opportunity for salvation, because the Door will already be shut, the Door of Mercy, which is Christ as Lamb of God; that stage will already be finished, and He will have already left the Throne of Intercession in Heaven, and what awaits this humanity, the entire planet Earth, will be the divine judgment; but before that, God's elect will have obtained the mercy of God and they will have received the transformation of their bodies, and the dead in Christ the resurrection in eternal bodies.

Now, we can see the mystery that will be opened during the time of the squeeze, and we can also see the definitive victory of

the Seventh Seal, which is the Second Coming of Christ, over Satan.

Notice how Christ will overcome the enemy of God, the devil; in chapter 12 of Revelation, and also in chapter 19, we have that battle there, and we also have the result of that battle, which is the victory of Christ against the antichrist, it is the victory of Christ against the devil at the Last Day.

## **THE PROPHETIC WORD GIVEN BY THE SPIRIT OF PROPHECY**

*Dr. William Soto Santiago*

*Monday, December 30, 2002*

Now, we find the types and figures of the things that will happen in the New Testament, we find them where? In the Old Testament. We don't have to go outside the Scripture, but in the Scripture itself, because the Scripture comes in a progressive way bringing the revelation of God, the prophetic Word given by the Spirit of prophecy, which is the Holy Spirit.

Now, we find that what God will do at this time is reflected in the apostles and also in the seven angel messengers.

In the Reverend William Branham and in Saint Paul and Saint Peter are the people in whom God has reflected the most of what He will be doing in this end time. And now, there are many things that were manifested in Reverend William Branham, and many things were also spoken, but that were only partially fulfilled in him, because God was reflecting things in him that He will do later on.

The Third Pull was temporarily manifested in him, but he says that the Third Pull is going to be fully manifested when the squeeze comes. Therefore, God is reflecting what He is going to do later on in him; and that will be the fullness of Christ in His Church, when Christ finishes His Work of Intercession in Heaven and completes His Church.

## REMEMBERING THE LAW OF MOSES

### The Waved Sheaf

And when the people are looking for a leader, many leaders appear; but God only has one for each time.

And it doesn't matter that Moses had disappeared from them and had gone to the top of the mountain there; it doesn't matter that they thought: "This Moses has gone on vacation," or "this Moses, with so much trouble we have given him, this one has left us and has left..."; because that was what they thought...; or at least those who wanted to guide the people in their own way, what they tried to teach the people: "This Moses, who brought us out of Egypt, we don't know what has happened to him; so this one has left us already. He hasn't been with us for 40 days."

But it didn't matter how long he was absent; the absence wasn't a reason to look for another leader; but the absence of Moses was a reason to be more in fellowship with God. For if they lost Moses, they lost everything; because he was the Messenger of God.

So what they had to do was to be praying, in expectation, knowing that Moses had gone up to talk to God; and to be waiting for Moses to come down with that great news that would come from Heaven, which would be given to Moses. But the people became desperate and wanted to do it their own way.

That is what sometimes happens to us. Sometimes it is known, or it has been said: "Such and such a thing is going to be done, or there are such and such things that God is going to do." But... Some people say: "But, hey, time goes by and they do nothing; a day goes by, a week, a month, two months, three months, four months, six months, a year, and they do nothing! And that is going to get done; so I go and do it; or I look for someone else to do it with someone else."

But it shouldn't be done that way, but it should be done according to what is programmed, according to God's Plan. Because the one who goes off on his own, or looks for someone

else, or other people, to do it: he is doing the same thing that the people of Israel did: they didn't wait for Moses to come down, and they thought they could go ahead. And God, because of what they did, God said to Moses: "Let me uproot them all, and I will set you over a better people, over a greater people, over a mightier people." And that is where Moses interceded for the people of Israel.

Look, even though the people of Israel had forgotten Moses, and sought things other than what Moses had told them, yet Moses interceded for them.

Well, we have to understand that this is how people are: sometimes they want things in their own time and in their own way; but the Bible teaches us that we have to be patient with God.

He has been patient with us; but sometimes we are the ones who get impatient and want God to do things quickly, or at the time we want, and not at the time He has planned.

We must wait for God's timing; and in the meantime develop, make use of patience; so that patience is manifested in you in such a way that you can wait for all the promises that God has made.

Because all the promises that God has made, one waits for them, and one has to have patience; if you don't have patience, there you have spoiled everything.

Look, if you don't have patience, your faith is going to have many problems. So you have to be patient and wait with patience for the fulfillment of the things of God; you have to wait with patience for everything that has to be done. And then you will be pleasing God; because you, then, you will be walking to the beat, to the pace of what God is doing.

## **THE KEYS TO THE KINGDOM**

*Dr. William Soto Santiago*

*Sunday, January 17, 1993*

*(Second activity)*

*Bogota, Colombia*

*(Volume 22)*

Now, when a dispensation begins, the previous dispensation

has to fade away to make way for a new dispensation that will bring to the human race the whole Divine Program relevant to that new dispensation; and the things that mankind has will be changed to the way of the new dispensation.

Just as there were these dispensational changes in the past. The people take the way of believing, of understanding things, according to the dispensation they are in.

The Dispensation of the Kingdom is the dispensation that will bring to this world (which is in death agony, which is in ruins), it will bring peace and prosperity; not to the kingdom of the gentiles, but to the Kingdom of God; and all who enter that Kingdom will receive those blessings.

There will be nations that will enter that Kingdom: The nations that have been saved will enter. We find that these nations will be formed by believers; believers, who will receive the knowledge of the Word of God; these are to enter eternity, after the Millennium. But to enter the Millennium there will be nations that will escape divine judgment, or part of them, and will pass into the glorious Millennial Kingdom.

(...) Peter opened that door with that divine revelation he had; he opened Christ in His First Coming for the people, in the Dispensation of Grace, in that new dispensational day that had been born.

And for the Dispensation of the Kingdom, when Jesus Christ reveals to His Angel the great mystery of His Coming as Lion of the tribe of Judah, as King of kings and Lord of lords, as the Son of David, to take the Kingdom and establish the glorious Kingdom of God on Earth; there the keys of the Kingdom of God are given to the Angel of the Lord Jesus Christ to open the door, which is Christ, in His Second Coming as the Lion of the tribe of Judah, as King of kings and Lord of lords, as the Son of David, to reign during the Millennium and for all eternity.

By opening that revelation to the people, He is opening the door to all the children of God, the door of the Kingdom of God; the Kingdom of God that will be on Earth in all its fullness during the glorious Millennial Kingdom; but at the dawn of the

new dispensational day of the Kingdom, of the Dispensation of the Kingdom, it begins to move in the fulfillment of all things that correspond to be carried out before the glorious Millennial Kingdom literally begins.

(...) Now, you see, the key of David has to do with the Kingdom of David, with the Throne of David, to be established in the land of Israel; and to sit upon the Throne of David, Jesus Christ, the Pillar of Fire, who has that promise, and who is Heir —as Son of David— to that Throne of David; because being the Son of David, He has the right to be King over Israel.

He has the key of David; and the key of David has to do with the glorious Millennial Kingdom, it has to do with the Kingdom of God in the Dispensation of the Kingdom; and the key of David is required to open that Kingdom, and to understand the mystery of the Kingdom of God, where the Throne of David will be restored, the door of the Kingdom of God is required to be opened, which is Jesus Christ coming as the Son of David, as King of kings and Lord of lords, in His Reclaiming Work. He as the Lion of the tribe of Judah makes the reclamation of all that He redeemed with His precious Blood.

The door of the Kingdom, for the Dispensation of the Kingdom, is Jesus Christ, the Angel of the Covenant, in His Second Coming as Lion of the tribe of Judah, as King of kings and Lord of lords, as the Son of David.
