**ENTERING THE MYSTERIES OF THE BIBLE**

And now, THE MYSTERY OF GOD IN CHRIST is the greatest mystery of the time of Jesus; and the greatest mystery for this end time is the mystery of Christ in the midst of His Church. Therefore, in the midst of the Church of Jesus Christ, in a new age, the Age of the Cornerstone, will be Christ veiled and revealed, manifested through human flesh.

Therefore, this is the great mystery for this end time, among the mysteries of the Bible; that is why Christ always spoke much of the Coming of the Son of Man for this end time.

Therefore, let's always be very alert, because from one moment to another Christ will totally allow the opening of that mystery, which for the moment is being held a little bit so that the whole Work of the mystery of the Seventh Seal is not interrupted.

In the reading, or in what was said by the Reverend William Branham in the book of *The Seals*, when he speaks of that mystery, he says: "If I could get the revelation and keep quiet." See, that was what the Angel had told Reverend William Branham for the First and Second and Third Pulls; in other words, to do what he was told to do, but to keep quiet, without revealing the mystery of those stages.

And now, THE MYSTERY OF THE THIRD PULL is the mystery that is contained in the Seventh Seal, in the Coming of the Lord; therefore, we have to be with our eyes open for God to open this mystery, and to open our understanding and our heart and our mind to be able to understand this mystery of the mysteries of the Bible.

The Bible contains all the divine mysteries that have already been fulfilled, and those that are being fulfilled in our time, and those that are to be fulfilled. Therefore, we have to enter into the knowledge of these mysteries in humility, in simplicity, to be able to receive the benefits of the fulfillment of these mysteries for this end time.

(...) And now, let's continue all the days of our life obtaining the knowledge of the mysteries of the Bible, because you and I too are in the mysteries of the Bible; we are all there in the mysteries of the Bible.

Therefore, keep studying the Scriptures and the messages pertaining to our time, and those you find from Reverend William Branham, because we are living in a very important time for us; a very important time for the Church of the Lord Jesus Christ, which is waiting for the Second Coming of Christ and is waiting for the transformation of those of us who are alive, and is waiting for the resurrection of the dead in Christ, and is waiting for the rapture, that is, the translation of all the elect to the House of our heavenly Father, to the Marriage Supper of the Lamb.

Therefore, let each one of you keep your faults, errors and sins confessed to Christ, that you may be clean from all sin; and serving Christ our Savior all the days of your life. Always listening to His Word and being edified with His Word.

For this end time the mystery of Christ in the midst of the Church will be manifested; and that mystery under the Seventh Seal, which will be known by those who will be hearing the Voice of Christ in the Last Day, the Voice of Christ, the Angel of the Covenant, through His Angel Messenger... because it will be through the Angel Messenger that Christ in Holy Spirit will reveal that mystery of the Seventh Seal.

First he will be the one to know it; and he will not tell it to anyone, until the time comes when Christ tells him to tell it. Therefore, we don't know how long he will live with this mystery, reserved in his heart; but at some point he will have to give it to the Church of Jesus Christ, so that all may be transformed and taken with Christ to the Marriage Supper of the Lamb.

But the elect will suspect the entire time, they will be suspecting what the mystery of the Seventh Seal is; and some will know what the mystery of the Seventh Seal is, although they can't explain it; and although they can't fully understand it, they will know, they will know, the mystery of the Seventh Seal.

Although they will not be able to put all the pieces of the puzzle, all in order, because the only one who will be able to put the puzzle in order will be the Holy Spirit through His Angel Messenger, to whom He will say: "Move *this* piece and place it *here*, and this one *here*, and this other one *here*."

And he will have the puzzle; which has been a puzzle to the theologians, as the First Coming of Christ was a puzzle to the theologians of the Hebrew religion; and it is still a puzzle because they haven't yet understood it. The mystery of the Second Coming of Christ is a puzzle for the theologians of Christianity; and they have been trying to assemble the puzzle, but they haven't been able to assemble it.

It is that all these messianic prophecies pertaining to the Second Coming of Christ, the only one who can assemble them well, and form the whole picture of the puzzle correctly, is Christ in Holy Spirit in the midst of His Church, in His

final manifestation, which will be through His Angel Messenger. Apart from that manifestation of Christ in His Angel Messenger, placing everything in its place, apart from that no one else will be able to assemble the puzzle of the Second Coming of Christ.

Whoever assembles it, will be blessed. And only ONE will be able to assemble it. And the people that will be listening to him will be blessed, because they will have the faith —and faith is revelation—, they will have the faith, the revelation, of the Seventh Seal, of the Second Coming of Christ; and that is the faith, the revelation, to be changed and taken with Christ to the Marriage Supper of the Lamb.

Therefore, they will be believing with all their soul in the mystery of the Seventh Seal, in the mystery of the Second Coming of Christ.

(...) Pray much for me, I will pray for you too; and remember that you will have the spiritual food stored; you have it stored so you can use it. It will be served to you both *here* and in the other place, and also in booklets; it is in videos and in tapes also.

So even though I am traveling I don't leave you without spiritual food, you will have all the Food you need for the days I am traveling.

And let each one of you remain, with fear and trembling, serving Christ our Savior, and always taking care of yourself from all danger; for the devil walks about like a roaring lion, seeking whom he may devour.

Always take care of yourselves and live according to the Word of God. Someday the struggles, sufferings and problems will be over, which will be when we have the new body, when we are transformed.

So with the wisdom and knowledge of God given by Christ to you and me, let's continue forward with our Christian life in the Mystical Body of Christ, and someday we will be transformed and go with Christ to the Marriage Supper of the Lamb.

Perhaps on some occasion, if God allows me to speak again about Puerto Rico and the blessing of Puerto Rico, I will have to show you by obligation the coat of arms of Puerto Rico or speak to you about the coat of arms of Puerto Rico, where we have the Book of the Seven Seals and the Lamb on the Book of the Seven Seals.

In the Psalms the psalmist says that the coat of arms are the Lord's.<sup>1</sup> You see, in the coat of arms of each one of the tribes, in the flag of each tribe, there was what God had with each tribe.

And now, in the coat of arms of Puerto Rico, God shows us a great blessing

---

1 Psalms 47:10

for all of us; and we are going to leave it there. When God allows us to see a little bit of that great blessing, we will be seeing it with all the details that He allows us.

We will even have to mention the place where John the apostle was, where the Mighty Angel descended with the little Book open in His hand; and it was an island. And if it was on an island there, where John received the revelation and where the Mighty Angel descended from Heaven, then there is an island, somewhere on planet Earth, that will have a blessing; a very great blessing; where Christ will express His divine love to His Church, and from there that revelation will spread to other nations. And the Seven Thunders will utter their voices, and the Voice of Christ revealing the mystery of the Seventh Seal will cover all other nations. Well, let's leave that alone.

Where did John hear the Seven Thunders? On an island. When the Mighty Angel placed his right foot on the sea and his left foot on the land. In other words, he placed his left foot on an island and the other in the sea, in the sea that reached that island.

And let's leave that alone there; and if next Sunday God gives me something more about the great blessing that God has placed among us, then we will be talking about all those things, and then we will be able to understand why God has prospered us so much here in Puerto Rico.

Look, we arrived here, we had nothing; and then we got a cream-colored, sand-colored tent. How many of you remember that first tent? And now, you see the whole trajectory. He gave us different tents. And then He gave us this place. He has given us land too. In other words, He has continued His Work, and His Work will continue to grow here in Puerto Rico.

He has great blessings for all of us. And I have always said that this place (although it is not full yet) is going to be very small for all that God is going to be doing when we are adopted; because the Tent Vision that Reverend William Branham saw, that is the and in the adoption of a messenger in the Last Day, in the Age of the Cornerstone. That is why Reverend William Branham could never fulfill the Tent Vision; although he tried. But someone will fulfill it. Through someone, Christ will fulfill that Tent Vision.

When the number of the elect of the Mystical Body of Christ is completed, we will see the fulfillment of the Tent Vision, to then come the call for the Hebrew people. They will see Christ working the great wonders that He has promised for this end time, when we are all adopted.

In other words, it is a promise for when we are adopted. At least one must be adopted, at least the messenger who will be the instrument of Christ; but with the adoption of one, the adoption will come for all the others.

So we can see why God has been working and blessing us, and in a progressive way we have come as far as we have come; and we will continue onward. And He will continue to bless us in the New Covenant and under the New Covenant in the New Testament, in this story of divine love.
