**THE POWER OF THE SPOKEN WORD OF GOD**

By and with the power of the spoken Word of God, the kingdom of the gentiles (represented in the ten toes of iron and clay, in those feet of iron and clay) will be spoken out of existence.

And by the power of the spoken Word of God, every divine blessing will be spoken into existence for every child of God.

Now, one is the moment where that Word is spoken, and another is the moment where that Word materializes.

So you see, that Word that has to be spoken is the divine thoughts. That Divine Program that He would carry out has been in the Mind of God; and we were there too, that is why we are genes of the divine mind or thought.

Now, in order for something to materialize, the Word that contains the characteristics that have to be materialized has to be spoken.

(...) So you see, the characteristics of the new body are in that spoken Word; that is why I have told you that the new body will be 18 to 21 years in appearance, in appearance. There, when you have received that Word and you have said: "Amen!", you have received those genes from that Word, so that that body will be 18 to 21 years in appearance.

And so on, every time you hear the Word and say: "Amen!", and believe it with all your heart, you are receiving the spoken

Word of God, the creative Word, which contains the divine genes so that every divine promise for that time materializes in you.

When you have received that spoken Word, you can say like Abraham, that although the son wasn't born, he could say: "I have a son, the promised son." And where was he? In that Word that God had given him; because that Word contained the divine genes, so that one day that Word would materialize.

(...) So we are waiting for our transformation. And we are not waiting for transformation like fools, without having the basis. We have the basis where our faith is deposited: in the creative Word of God spoken for this end time. That is the spoken Word of God for you and for me, which will not fail.

Jesus said: "The heavens and the earth will pass away, but my Word will not pass away."<sup>1</sup> In other words, "shall not pass away" means that He will do what that Word says.

(...) And when we can listen to that spoken Word of God, that spoken Word of God contains a power: the creative power of God; that power that scientists have tried to find, that power that moves according to the Divine Laws, that power that produced the Creation, that they call the Big Bang (that is, the big explosion that produced the creation of the universe. They call it the Big Bang. In other words, the big explosion, the first explosion). And you see, it was the creative Word of God that produced all that.

So that creative Word contains a power, and that power is what makes all that Word to materialize. And we have to be very happy, very grateful to God, and very sure and calm about God's promises.

Now, this doesn't mean that we are going to cross our arms waiting for the transformation. We are waiting for it, we are sure about it; but not with our arms crossed, but working in the Kingdom of God, in all the things that have to be done in the Kingdom of God. And everything will work together for good and in favor of every promise that God has made for us.

Just as Mary was the instrument that brought the body of the Lord in His First Coming, the physical body, so also the Bride of Christ will bring the physical body where the Lord will fulfill His Second Coming. It will be in Her, and it will go out, it will come through Her, through the Bride.

That is why it was said by the forerunner of the Second Coming of the Lord: “Jesus in His First Coming didn’t do all things, He didn’t fulfill all the things that speak about Him; He only fulfilled those that He had to fulfill for the First Coming; and the others that He has to fulfill, those that He has to fulfill for the Second Coming: He will fulfill them through the Bride.”

Why through the Bride? Because the instrument in which God fulfills the Second Coming of the Lord will be in the Bride. Therefore, then the Bride, just as Mary gave birth to the Messiah, the Lord in His First Coming, also the Bride of the Lord in these last days, will give birth. Will give birth to whom? She will give birth to the Lord in His Second Coming.

## **THE NAME OF GOD IN THE WEST**

When John received the revelation of Revelation through the Angel, the Name was there. John wanted to worship the Angel, but the Angel told him not to do it.

But for the Last Day, under the manifestation of the Holy Spirit in His Angel, Christ will be fulfilling all that pertains to this end time; and then, at the end, He will open to us the mystery of the Name. As the mystery of the Name of the Lord that was in the Angel of the Lord was opened at the end: after the end of the ministry of Christ was that the mystery of the Name that was in

Him was opened.

Therefore, that mystery, the people of God will know that it will be in the Angel of Jesus Christ in the West; because the Name of God will be in the West, in the Angel of the Lord Jesus Christ —and therefore— in the midst of the Church of Jesus Christ, in the stage of the Age of the Cornerstone, the stage of the Most Holy Place of the spiritual Temple of Jesus Christ our Savior.

The only one who will be able to operate the entire Program of God under that Name will be the Angel of the Lord Jesus Christ. And for any other person to be able to operate, or function in the Program of God for the Last Day, he will have to be arm in arm with the Angel of the Lord Jesus Christ, as the ministers of every age were arm in arm with every angel messenger.

(...) So we can see the mystery of the Name of God in the West; we can see and understand as far as God allows us to hear and understand; but still under that mystery there is much to learn, which we will be gradually hearing and learning.

All the Work of Christ in the Age of the Cornerstone, in Latin America and the Caribbean, and what is extended from Latin America and the Caribbean to other nations: everything remains under that Name, and under the ministry of the Holy Spirit through the Angel of the Lord Jesus Christ. In other words, everything that God does in this end time will be under the ministry of the Holy Spirit, the white horse Rider of Revelation 19, and under the Name of God in the West, in Latin America and the Caribbean.
