So, when humanity reads: “Oh, ‘seven thunders’! That is something tremendous! When that happens, that is going to be heard all around the Earth, that loud sound.” And look, the Seven Thunders..., “thunder” is the Voice of God; notice how simple it is: “seven thunders”: the revelation of the seven Seals, what the seven Seals contain.

Well, and it’s actually being heard around the world, but people don’t know that those are the Seven Thunders; because “thunder” is the Word of God, the Voice of God.

And: “*My sheep hear my voice.*”

What will the sheep of this time hear? The Voice of the Lord.

And what is the Voice of the Lord at this time? The revelation of the mystery of the Seven Thunders. They are not going to hear anything else. It is for them.

And since it is for them, what else can the children of God want? If this is the greatest thing that God has given to His people!

Look, Daniel wanted to know many things, and the Lord told him: “No, shut the words of the book of this prophecy until the time of the end.”¹ Oh, Daniel wanted to know what we know today, but the Lord told him that it was until the time of the end. And thank the Lord that we are in the time of the end!

Do you know what the seventh messenger said when he was in North America? He said that in his time there were not even twelve ready for the rapture, to be transformed and raptured.

It is that the time of the transformation and the rapture didn't fall in the seventh age, nor did it fall in the stage of the introduction of the Second Coming of the Lord; but it fell in the third dispensation, and not in the second dispensation; and it fell not in North America, but in Latin America.

To say that they didn't even have twelve ready for the rapture is a very sad situation for North America; and that even with their messenger there.

And in Latin America the thing is different. There were not twelve ready there for the rapture, to be transformed and raptured; because the faith of the rapture, where was it? In the Thunders.

And the great secret of the Seventh Seal is in the Thunders, the great secret of the Second Coming of the Lord Jesus Christ, of the Son of Man as Lion of the tribe of Judah, as King of kings and Lord of lords; with His name as Lion of the tribe of Judah, as King of kings and Lord of lords: with His New Name; with which all the elect are sealed in this end time, and where the Lord sends that New Name in that little white Stone.

That little Stone is the Second Coming of the Lord. There comes the New Name; and no one understands it but he who receives it.

Now, when Reverend William Branham had the visitation of the angels, which way did the thunders go, the thunder? The thunder that he heard went toward the south. And if it went south,

it went where? To Latin America and the Caribbean. And that is the Voice of God.

Now, see how everything is well ordered. After the West, when He finishes His journey in the part of Latin America and the Caribbean, then it corresponds to Him to go towards the East; but first He has to carry out the Work relevant to the West, in the Mystical Body of Christ, in the creation, construction, of His spiritual Temple.

And the Work relevant to our time is the Work of the construction of the Most Holy Place of His spiritual Temple, with living stones, human beings who are called and gathered in the Mystical Body of Christ, in the stage of the Age of the Cornerstone. That is the most glorious of all stages. That stage is under the mystery of the Seventh Seal.

So we can see that the seven stages or ages of the Church were first passed through in the life of Jesus; and then, at almost 30 years of age, the Age of the Cornerstone was passed through in His life and in His ministry. And at that time: Seven Thunders uttered their voices in His life and ministry; and He presented the First Coming of the Messiah fulfilled in His person.

We find that for the adoption of every firstborn child of God it is required that he be in the Age of the Cornerstone; for that is the age for adoption; that is the age where Seven Thunders utter their voices consecutively in the life and ministry of the person.

So it is also for the Church of the Lord Jesus Christ at the end of time.

Jesus Christ, the Pillar of Fire, was in and with His angel messenger bringing the revival of North America, the revival for the seventh age of the gentile Church and for the stage or gap where the Second Coming of Christ was foreran.

And then, Jesus Christ in Spirit, the Pillar of Fire, has passed to Latin America and the Caribbean to bring the revival or final awakening. And for that: The Voice of Jesus Christ crying out like a lion and seven thunders uttering their voices; which is: The Message of the Gospel of the Kingdom gives us, brings us, the revival or final awakening of the Mystical Body of the Lord Jesus Christ.

See the order of the revival or final awakening of the Mystical Body of the Lord Jesus Christ:

An age: The Age of the Cornerstone.

A dispensation: The Dispensation of the Kingdom in its beginning.

A message: The Message of the Gospel of the Kingdom, represented in the seven thunders of Revelation, chapter 10, which is the Voice of the Mighty Angel, the Voice of Jesus Christ, the Voice of the Pillar of Fire, Jesus Christ in the form of Spirit, in the Age of the Cornerstone, in the Dispensation of the Kingdom, manifesting Himself and giving us His Word at the end of the world through His Angel Messenger, making known to us the things that must come to pass; and thus producing the final awakening, the final revival of the Mystical Body of the Lord Jesus Christ.
