**WHERE THE NAME OF GOD IS,
THE BLESSING WILL BE THERE**

I thank the Reverend Jose Benjamin Perez for the part he always does, of reading on the subject that we will have, which prepares all of you who are present and those in other nations, so that beforehand, you know what the topic of each Sunday is. That is good preparation and thus it helps me not to have to read too much: you already heard it. That is why it is very important that you are attentive to what he reads, because that is what is going to be spoken of, at the Bible school, at the preaching.

Therefore, in all countries you should be already connected for when he comes forward: everyone should be connected listening; because that preparation is very important for all who will listen. If they miss that preparation, then perhaps I may not read all these Scriptures, those quotations, and you all will not know what I'm talking about if I don't read them at that time; but since he already read them, you already know what we are speaking of. That part is very, very important.

**TEACHERS AND CHILDREN RECEIVING THE ANGEL THAT
THE LORD JESUS CHRIST SENDS**

See, and now the Seventh Seal revolves around an Angel, because that Angel that was different from the rest is the one that has the Seventh Seal.

And when you put together everything that is said about the Seventh Seal, everything will lead to the Angel that has the Seventh Seal; because it is impossible for the Seventh Seal to be opened and not to know who is the Angel that has the Seventh Seal. He comes with the Seventh Seal, He has

the Seventh Seal, he has Christ, the Angel of the Covenant, the Holy Spirit manifested in him; He is the one that comes with the Holy Spirit, he is the Angel in whom the Holy Spirit becomes flesh in the Last Day; because it is promised in the book of *The Seals* that the Holy Spirit will become flesh in the end time.

And now, there is a very great mystery, which when opened at the Last Day will change the whole theology, or confuse it more. So, just as the theology of the Hebrew religion was confused with the fulfillment of the First Coming of Christ, the theology of Christianity will be confused with the Second Coming of Christ.

You see, with the First Coming of Christ the Hebrew theology was confused, and they said: “No, this is not what we were expecting, this is not it!” Thus said the theologians of that time; because it blinded the wise and knowledgeable of that time, it blinded those who claimed to see, it blinded those who claimed to have wisdom, theology, doctors of divinity; it blinded them, why? Because of simplicity: They didn’t expect something so great coming in such a simple form, being a simple carpenter from Nazareth.

Now, Christ has promised that for the Last Day the Holy Spirit will come incarnate. Reverend William Branham, speaking to us about this mystery, says that the Holy Spirit that we have, that is, that has been in the Church of the Lord Jesus Christ all the time, will come incarnate, will come made flesh.

THE ONLY HOPE OF THE ELECT

Dr. William Soto Santiago

Our hope is the Coming of the Son of Man. That is why He said: “Pray, watch.” Watch for the Coming of the Son of Man, where? “It shall be as the lightning that cometh out of the east, and shineth forth...”

Therefore, watch where He will appear: in the West; there you will see the Son of Man coming with power and glory in His Kingdom, and with a Great Voice of Trumpet, to call the elect through the ministry of His Angels, the ministry of the Two Olive Trees, of the Two Candlesticks.

That double ministry, which will be in the Angel Messenger of the Lord Jesus Christ, which will be revealing the Coming of the Son of Man in the West, making known that great ministry of the Coming of the Son of Man, showing how simple, how simple the Coming of the Son of Man will be being carried out, will be fulfilled in the West.

THE SEVENTH SEAL AND THE FINAL REVIVAL OF THE ELECT

People lose the fulfillment of the divine promises because they don't know what they are waiting for; they know that God made promises, but they don't understand that when God promises something great He fulfills it in a simple way. The forerunner of the Second Coming of Christ says on page 17 of the book of *The Seals* in Spanish:¹

“^[113] .. Many miss Him by the way He reveals Himself.

¹¹⁴ Now, men has their own ideas of what God ought to be and what God is going to do. And as I have made the old statement many times, that, man still remains man. Man is always giving God praise for what He did do, and always looking forward to what He will do, and ignoring what He is doing. See? See? That's the way they miss it. They look back and see what a great thing He done, but they fail to see what a simple thing He used, to do it with. See? And then they look forward and see a great thing coming, that's going to happen, and, nine times out of ten, it's already happening right around them. And it's so simple that they don't know it.”

They can't comprehend it. Why? Because they stumble on the simplicity of the instrument God uses to fulfill that such great promise.

THE THINGS THAT WOULD BE

Dr. William Soto Santiago

A change occurs in Heaven when a dispensational change occurs. And then that change is reflected on this planet Earth, until the whole world realizes that something has happened. And in that change things begin to happen that didn't happen in other ages or dispensations in the way they are happening in this new dispensation; because in other times, those things, if they happened, happened on a smaller scale; but when there is a change of dispensation, it is seen on a larger scale.

Now, remember: God always, when He does a great thing, does it in a simple way, in simplicity; and if He does something greater, it is simpler still. That is why we must always be watching for God veiled and revealed in simplicity.

That message “God veiled and revealed in simplicity” is very important; that is why when that message was preached, to then perform

1 The Seals in English, page 19-20

the opening of the Seals, he said: “If you don’t watch, you will miss it,”² and he preached to them that message “God veiled and revealed in simplicity”; because the fulfillment of the things that he was forerunning, would be veiled and revealed in simplicity, and would be fulfilled at the end of time.

Before the redemption was fulfilled by the Blood of the Lord Jesus Christ on Calvary’s Cross, there were 33 years in which He was fulfilling Scriptures, fulfilling promises. Then at the end, the last three or three and a half years, it was a time, a stage, of consecutive fulfillment of Scriptures, until He reached the fulfillment of the ultimate Scripture, which was when He died on the Calvary’s Cross and cleansed us of all sin with His precious Blood. But those who didn’t see all of the above, didn’t realize that there was the Lamb of God dying to take away the sin of the world.

And that is what maybe... I hope you don’t; but I think that many people who have read the visions (for example, in the United States), what they are waiting for is to see the Tent Vision, all those things, to then believe and to then say: “Now I believe.”

But everything that happens before, to produce the fulfillment of that promise, they miss it and don’t... and if they are told, they don’t believe it; or they say that it can’t be, because what they are waiting for is the culmination of something that begins in a simple way; in other words, they are waiting for the top, when the things of God begin in a simple way, it grows and grows, until they reach the coronation of that which began in a simple way.

For that reason brother Branham said that God always manifests Himself in simplicity.
