Now, the glory of Jesus Christ is in His Church manifested in the world in the spiritual realm; and we must see the glory of Jesus Christ manifested in His Church, and the works that Jesus Christ is doing in and through His Church from the Day of Pentecost until now.

It is a great Work, the Work that Christ has been doing through His Church by means of His Holy Spirit; because the glory of God is Jesus Christ, and the glory of Jesus Christ is His Church. You can see the glory of God in Jesus Christ and you can see the glory of Jesus Christ in His Church.

Therefore, every person must understand that Jesus Christ desires to manifest His glory in you and me; and that is why we receive Him as our Savior: so that the glory of Jesus Christ may be in our souls.

As the glory of God was also in the tabernacle which Moses the prophet built: there was the glory of God in the most holy place, upon the ark of the covenant, in the midst of the two cherubim of glory which were upon the mercy seat; there was the glory of God in the light of the Pillar of Fire, of the *Shekinah*.

In the tabernacle or temple which Solomon built, the glory of God was also in the most holy place, above the mercy seat, in the midst of the two cherubim of glory.

Therefore, when those ministries are giving us that apocalyptic revelation, when those ministries are making known to us what the Thunders spoke: they will be giving us what we need to be adopted, to be transformed and then raptured.

That is what will bring to the children of God, from among the gentiles, the updated ministry of Moses and Elijah; that is why God will send those ministries; and the promise of the adoption of the children of God will be fulfilled.

Those same ministries, being ministries of and for adoption, in whom those ministries are, he will also receive the adoption; and therefore, he will be able to do all the worldwide, international signs, in Heaven and on Earth, that Revelation, chapter 11 says, and that Revelation says in other places; and then he will be able to face the challenge of this hour, he will be able to face

the beast and the image of the beast, which are pointed out in the book of Revelation.

And it doesn't matter if the image of the beast, or the beast, kills one of those who are adopted; being adopted is like putting them to sleep and then waking them up; for just as Jesus being immortal..., for He said: "No one takes my life from me, I lay it down of myself, to take it up again."<sup>1</sup> He laid it down voluntarily, and after three days He took it up again: He got up calmly. And after 40 days He said: "I must go," and He departed in a cloud.

So it will be also with all the children of God who will be adopted. Death has already been swallowed up with victory; so then these people are already immortal, and they will overcome death, hell, the beast and the image of the beast.

That is why Revelation says that they will persecute and make war with the Lamb and those who are with Him; but the Lamb will overcome them, because He is King of kings and Lord of lords.

And now, we know that it has to be in the territory where the current stage of the end time is being fulfilled; therefore, it can't be in the territories where the ages have already been fulfilled; it has to be in another territory, where the Age of the Cornerstone is being fulfilled.

<sup>1</sup> John 10:18

Therefore, those of that territory will be able to say: “That blessing is ours. Let’s work for the Tent Vision to come true, because it is up to us!, so that the glory of God is manifested, so that Christ, the ministry of Christ, is manifested, and that of Elijah and Moses; and we can see the glory of God manifested in all His fullness.”

Even the Jews will see that glorious manifestation of God in His Church, in the fulfillment of the Tent Vision. And what will they say? “This is the one we are waiting for.” They will see the God of Abraham, Isaac and Jacob manifesting Himself in the fulfillment of the Tent Vision.
