CRUCIFIXION AND DEATH OF CHRIST

Someday the Coming of the Lord will become a reality, the Coming of the Lord will be opened to the Church of the Lord Jesus Christ; and that will be in the fulfillment of The Great Tent Cathedral: that is where the mystery of the Seventh Seal will be opened, and that is where there will be a very great revival, a very great awakening, a very great manifestation of Christ in the midst of His Church; that stage is called: the Third Pull.

For that time, if He is not finished (at the beginning of the Tent Vision, when it appears), at some point then Christ will finish His Work of Intercession in Heaven as High Priest, He will come out of the Throne of Intercession, He will take the Title Deed and open it in Heaven. In Heaven, that Title Deed is the Book sealed with seven Seals. That is because Christ will have already completed His Church with all the writings in Heaven, in the Lamb's Book of Life.

And then He will do His Reclaiming Work: He will bring the dead in Christ who are in Paradise (He will pass through Paradise and bring them), He will resurrect them in eternal and glorified and young bodies; and the believers who are alive: He will transform them. And then we will be in the physical likeness of Christ, with glorified and eternal bodies, immortal and young, for all eternity.

Those people, as well as those in Paradise, will receive the Coming of the Lord in Paradise to come to Earth and take physical and eternal bodies.

The believers in Christ will see Christ coming for His Church, they will see the resurrected in eternal bodies, and the living in Christ will be transformed.

And that will be the greatest reunion that has ever taken place, of believers in Christ; because those of the past ages will come to our time to meet with the believers in Christ who are going to be changed; and when we see them we will be transformed.

For that time there will be a very great manifestation of the presence of God through Christ. And the Jews, when they see that, will say: "This is the one we are waiting for." But He is not coming for them, He is coming for His Church-Bride: to change her and to take her with Him to the Marriage Supper of the Lamb.

Then, He comes for them: a little later on, the Gospel of the Kingdom will be preached to the Jews, for a certain period of time. After that manifestation or in the midst of that manifestation everything will be intertwined; and during the time of the ministry of the Two Olive Trees with the Jews, there they will receive the Gospel of the Kingdom, 144,000 (12,000 of each tribe), because those are the elect of Israel. In addition to the other people, the elect are 144,000 (12,000 from each tribe). As in the midst of Christianity there are the elect represented in the wise virgins, and then the rest: represented in the foolish virgins or fatuous virgins.

Being virgins they are believers, who also love God, but they do not belong to the wise virgins. And so it will also be with Israel: the wise virgins for Israel would be the 144,000; and the foolish virgins: the rest of the people.

The wise virgins are those who receive Christ at His Coming, which awoke with the midnight cry of Matthew, chapter 25, verses 1 to 13; and the Bridegroom came, and those who were

ready went in with Him to the Marriage, and the door was shut. Then the other virgins, when they came to knock at the door, it was already shut; and they were cast out into outer darkness, which is the great tribulation.

How He will come, when He will come and all those details, is still a mystery, which will be opened at the time of the Third Pull or time of the fulfillment of the Tent Vision.

But we are only briefly speaking on that, but when that mystery is opened, you will see clearly all that mystery of the Seventh Seal; and you will also see the crucifixion more clearly, that is, the second crucifixion, which will not be literal.

Cayey, Puerto Rico

This is a very important project that you are carrying out, not only in favor of Cayey, but of all Puerto Rico and the entire human race; because the time will come when God will greatly manifest Himself in favor of the human beings, because there will come a time, a very difficult stage, for the human race.

We already see many political problems, military problems, because of political relations, which are not going well with some countries; and that will cause a Third World War, which will be atomic. And it is better to be aware of what is going to happen, and not to be surprised and unprepared.

The economic situation is also very difficult worldwide; and every day the situation is getting more difficult. When it is believed that the solution has been reached, or that it is being reached, suddenly another problem arises and things are delayed.

And as for the environment, the news are not very good. The human being, with his scientific advances, has damaged the environment; and therefore, what has been sown will give a harvest of great problems in the environment: global warming,

which causes the poles to melt and the level of the seas or the sea to rise, and consequently, the coasts are in serious danger; many coasts are going to disappear. And the Scripture says: “I will repay those of the coasts,”¹ so there is a divine sentence in the Scripture.

Tsunamis, on the other hand, will destroy many coasts, especially in the American continent; and therefore, also in Asia, because what divides Asia from the American continent is the Pacific Ocean; and therefore, they are close. From there will also come the problems of the Third World War: on the other side of the sea; the king of the north: Russia.

That is why we have to also be watchful, to be aware of the things that are happening in the world.

All this helps us to understand that there is no hope in this world, except the Coming of the Lord for the Last Day: for the resurrection of the dead in Christ and the transformation of those who are alive, believers in Christ, in the Mystical Body of Christ our Savior, which is the Church of the Lord Jesus Christ: which is the one that has the promise of the Second Coming of Christ to be transformed and taken with Christ to the Marriage Supper of the Lamb.
