The manna, in the temple, was hidden in the most holy place; and the hidden manna typifies Christ in His Second Coming. And the Message that reveals Christ at His Second Coming is the Message of the Gospel of the Kingdom.

That Message is Christ in the form of Message; and therefore, it is the hidden Manna, for all the elect of God to eat, beginning with the messenger of the Last Day; and he gives it to all the elect of God in the House of God, in the Church of Jesus Christ, in the Most Holy Place of that spiritual Temple.

Because that is the faithful and wise servant of the Last Day; just as the seven messengers of the seven ages were the faithful and wise servants of the ages in which they lived; but now, for this end time, we have the promise of the faithful and wise servant for the Age of the Cornerstone, to give us of the hidden Manna that Christ will give to him.

And that hidden Manna is the divine revelation of the Seventh Seal, the divine revelation of the Second Coming of Christ as the Lion of the tribe of Judah, as King of kings

and Lord of lords, in His Reclaiming Work.

Therefore, in this end time in which we live, it is the time when the Heavens will be open, and we will be seeing the Most Holy Place of the spiritual Temple of Christ, where all the things that are in the Most Holy Place of the heavenly Temple of Christ will be materializing; just as the things that are in the Holy Place of the heavenly Temple, have materialized in the Church of Jesus Christ, in the stage of the Holy Place, of the seven Church ages and the time of the apostles.

THE ONLY HOPE OF THE ELECT

So God bless you, God keep you, thank you very much for your kind attention; and next Sunday I will be speaking to you again. And as I told you: you will hear me even though you will not see me. But the important thing is the Message.

Many times we stumble less by seeing less of the person that God has to speak to us and to fulfill His promises; because then we do not see him as an individual, as a human being, but we see the ministry operating, and we hear the Voice of the Lord through that ministry; and we know that it is the Voice of the Lord because he will be speaking the Word to us.

So, without us realizing it, it is of much benefit that God always keeps, in every age or dispensation, the messenger that He has for that time, the most withdrawn from the people (from the sight of the people) as an individual; and only to appear before the people as a messenger, for the

people to see and hear: To hear the Message that is for that people and see the fulfillment of the promises for this time; and not to see or know of that person as an individual.

I think that is the best way; because then there is no place for people to stumble; because people have always stumbled in the veil of flesh that God has used. And they have been stumbling on the Stone of scandal, the stumbling Stone, which has always been the veil of flesh that God uses.

As in the time of the Lord: The messianic promises for that time were being fulfilled, and the people said: “But isn’t this Jesus? (Stumbling on Him as a man). Isn’t this the carpenter’s son? Isn’t this the one from Nazareth?”

They said: “When He comes (the Messiah), we are not to know where He will come from (those who did not know or did not understand the Scriptures well).” So it is better that they do not even know where he comes from, but that they know where the promises have to be fulfilled; and see those promises being fulfilled, even if they do not personally know the instrument that God uses.

And when you see him: well, may it be through films, through pictures; and hear through films and tapes, and booklets, what he is speaking from God.

So I believe that God is blessing us here in Puerto Rico, so that we see more of what we should see, and our eyes are set on the only biblical hope of the children of God.

Well, God continue to bless you all and have a very, very good afternoon.

And remember, these things I am telling you I tell you because I love you. And I do not want anyone to stumble in me, but I want everyone to have the only hope there is for the human being, and enjoy it, and may receive the

transformation of their bodies.

I prefer to remove myself from your sight and only leave the ministry before your eyes; and that you only see or see me when I am ministering that Message, that Word, from the Lord Jesus Christ to you.

So I think so and I try to do so, because I love you; and I do not want anyone to stumble in a time that should not be stumbled at; because he who stumbles and falls at this time, it is difficult to get up, because he gets beaten too much.

So we do not expect to see much of the human part, but the ministry, the fulfillment of the divine promises, and the Message that makes these things known to us.
