

spoke of.

Now, we do not know if it will be from the beginning of that Vision of The Great Tent Cathedral, or it will be in the middle or at the end; because we are not the ones who give God conditions, it is God who already has His Program; He is going to do it the way He thought it before the foundation of the world.

So you are too late to advise God. The Scripture asks: “Who was His counselor?” Who was His counselor to advise Him to have a Great Tent Cathedral where He would manifest Himself in all His fullness? For He thought of that before the foundation of the world. Therefore, neither you nor I counsel God; but He counsels us, that is the most important counsel.

On one occasion He said: “When you see Jerusalem surrounded by armies, that is the hour; the time has come for its destruction. Let those who are in Jerusalem flee out of Jerusalem; those who are outside, do not return to Jerusalem; for that is the time for its destruction.”

In other words, the sign of seeing Jerusalem surrounded by armies, which was when the Roman general Titus surrounded Jerusalem for about two years, that was the time for the destruction of Jerusalem.

See? There are always signs; and those signs that He said would be seen, we cannot overlook them. We have to realize the time for which God promised that those prophecies would be fulfilled.

And when the Tent Vision, which is completely linked to the Church-Bride of the Lord Jesus Christ, where the Third Pull, the stage of the creative spoken Word will be manifested, it will also give us the faith to be changed, it will also give us the revelation of the Second Coming of Christ, of His New Name; and thus He will give us the faith, the revelation to be transformed and taken with Christ to the Marriage Supper of the Lamb.

Let us be prepared, with our spiritual eyes wide open.

We are in the stage of the Age of Cornerstone, where all the promises of the Last Day must be fulfilled.

TITLE: THE THINGS THAT ACCOMPANY THE THIRD PULL

WHO WILL BE TAUGHT SCIENCE?

And all that was opened to the Bride, all that was opened; the Seventh Seal was opened, but what happened? It was opened to the Bride as a group but no one understood what the Thunders spoke, because the Thunders would give the faith for the rapture. Notice all that the Thunders have; and the Thunders are the Voice of God.

So all that was there; and the Thunders, the Word of God, would give that faith for the rapture. But how would that be brought? That Word or those Thunders would utter their voices like what? Like when a lion roars, see? Then it would be what? It would be made known to the elect as individuals. What would be made known? That mystery; because it was not open to the public, in other words, it was not open to the individuals until that hour came.

And that hour would come when? Not while the veil of flesh He used to fulfill His Second Coming. As long as that veil of flesh was here, that mystery would not be open to the public; just as the mystery of the First Coming of Christ was not open to the public until the veil of flesh where He came was removed; when it was removed, then, the Day of Pentecost was open to the public, it would then again be a time of Pentecost when it would be open to the public.

THE SECOND DISPENSATION: CONSCIENCE

Therefore, we want to be aware that we are making history. According to how you do, it will appear in the history of the dispensation relevant to the Golden Age, which will lead us to the Kingdom of the Messiah and will take us to the Marriage Supper of the Lamb; and before He will take us where? To the transformation

of our bodies.

We will be hearing about all of those things later on: In the Third Pull, of which were spoken by Reverend William Branham, which will be fulfilled in a small Tent or small room, but in a Great Tent Cathedral; something great containing something small. And people will say that the great thing: "It is that building," but those who have prophetic vision will say: "The great thing is the small room inside that place: the small room." That is the great thing.

It is like the tabernacle that Moses built and the temple that King Solomon built. Everyone could say: "What a big building or what a big tabernacle!" They thought that the great thing was the building they saw, but the great thing was the most holy place, because the ark of the covenant was there, the presence of God in the Pillar of Fire was there, in the midst of the two golden cherubim which were over the mercy seat. That was the greatest thing, contained in a small part of the temple.

All that is reflected for the fulfillment of the Tent Vision, of the Great Tent Cathedral, where the Third Pull will be fulfilled, and it will give us the faith to be changed and taken with Christ to the Marriage Supper of the Lamb; because it is there where Christ as a Lion will be speaking to us with that Voice represented in seven thunders, Christ as the Lion crying out and Seven Thunders uttering Their voices. That is the Voice of Christ at the Last Day, in the stage or Age of the Cornerstone, just like it was the Voice of Christ through the messenger of each age in the past, but not as a Lion.

(...) The mystery of the Seventh Seal is contained there, but we are not going to discuss that subject in detail, for Reverend William Branham was told not to speak about that imitations wouldn't emerge. So, we are going to leave that alone until it corresponds to the Third Pull, in the fulfillment of The Great Tent Cathedral, where God will allow us to understand many things which are currently discussed partially, but later, for that time, we will speak openly about a lot of things that we need to know in order to have the faith to be changed and taken with Christ to the Marriage Supper of the Lamb.

It is in the fulfillment of the Tent Vision, in the manifestation of the Third Pull, where the mystery of the Second Coming of Christ will be opened to the Church of the Lord Jesus Christ.

Remember that the Seven Thunders of Revelation, chapter 10,

reveal the mystery of the Coming of the Lord, they reveal the mystery of the Seventh Seal. The Seventh Seal is the Coming of the Lord, which is what will give us the faith to be changed and taken with Christ to the Marriage Supper of the Lamb. And those are the Thunders, the Voice of Christ, which will give us the faith to be changed.

So there will be a great..., a great revival, a great spiritual awakening, a spiritual awakening at that time.

And we are preparing ourselves spiritually, and physically as well. And we will be working on the project of the Great Tent Cathedral out of love for Christ and His Program in this end time.

So may God bless you and keep you, and onward. We have discussed the second dispensation briefly, the Dispensation of Conscience, but on another occasion we will have more details about the seven dispensations.

Remember that every time the Program of God is carried out it must always be in a dispensation. And now, the Program of God of this end time will not be carried out in the first dispensation, for the simple reason that that dispensation has already passed; neither will it be carried out in the second, third, fourth, fifth or sixth, because those dispensations have already reached their end, and what is left of the sixth is very little time; it is a time of intertwining with the seventh dispensation.

May God bless you and keep you, strengthen you, and may He open the Scriptures to all of us and our understanding in order to comprehend, and may He increase our faith: to the point that we have the faith for the rapture, the faith to be changed and raptured and taken with Christ to the Marriage Supper of the Lamb. In the Name of the Lord Jesus Christ. Amen.

And he said that - he showed Reverend William Branham a Great Tent Cathedral and the things that He would be doing there; for when you see that promise of a Great Tent Cathedral, there will be that He is going to fulfill the Third Pull, which Reverend William Branham
