

do.

It was not Moses, it was God who did all those things; but Moses was the presenter. Like the TV presenters: they present the news, but of things that have already happened; and they also announce other things that governments are going to do or that are going to happen on Earth, because they already have certain news based on information about events that are going to happen.

So also, a prophet is the presenter of what God is going to do on Earth. So was Moses, so have been the prophets of God in all times, and so it will be in this end time. “For the Lord God will do nothing without first revealing His secrets to His servants His prophets.” (Amos, chapter 3, verse 7).

That is why no person will be able to receive the resurrection of the dead, unless he hears the words of eternal life of the Son of Man at His Second Coming, according to the order of His Coming. And none of the living will be able to receive the transformation of his body, unless he hears first the words of eternal life of the Son of Man with His Angels at His Coming, which is the Message of the

Gospel of the Kingdom, the Message of the Last Trumpet, the Message of the Great Voice of Trumpet.

That is the Message of the words of eternal life for the resurrection of the dead, to enter eternal life with an eternal body; and they are the words of eternal life for those of us who are alive, to receive our transformation and enter eternal life with an eternal body, as He has promised.

And now, the Church is in the end time, where she will be able to say: “Lord, glorify Your Church, Your Church-Bride.” And we can all pray for the glorification, which will be our transformation for those of us who are alive and remain alive until the resurrection of the dead in Christ.

And therefore, in asking for the glorification of the Church, well, we will be asking for the

resurrection of the dead in Christ in glorified bodies, and the transformation of us who live. Because that is the goal: The transformation, the glorification, which we are waiting for with all our hearts.

The faith to be transformed and taken with Christ to the Marriage Supper of the Lamb, is given to His Church by Christ as the Lion of the tribe of Judah; not as the Lamb; it is something very important that we must understand.

As the Lamb He has been speaking in the midst of His Church for two thousand years through His messengers, through whom Christ in Holy Spirit has been veiled and revealed speaking to His Church from age to age.

(...) Through what will be spoken by this Angel that comes with the Eternal Gospel, the Gospel of the Kingdom, to preach it to the inhabitants of the Earth, what God is going to carry out on this planet Earth will be known.

How was what God was going to do known in Egypt? How? Through what Moses spoke, through what Moses said God was going to
