THE APPROACHING PROPHECIES

The Messiah will come not only for the Hebrew people but for all nations, because the Messiah is the Desired of all nations¹; all nations have desired to enter the Kingdom of the Messiah, which is the Kingdom of God.

Therefore, the Coming of the Messiah and the establishment of the Kingdom of the Messiah on Earth will be for all mankind; and consequently, mankind will have the peace it has been longing for so many millennia. That is one of the prophecies that is approaching in this time in which we are living.

There will also be a full manifestation of God's power for all Christianity; there will be an instrument of God through which God — through His Spirit— will manifest His power, and great wonders will be carried out; and thousands or millions of people will be converted to God. All this will be a Visitation of God to Christianity, to the Church of the Lord Jesus Christ.

The Hebrew people will see this manifestation and will say: "This is the one we are waiting for." Therefore, let us keep our eyes open, because this is a prophecy that is approaching to be fulfilled in this end time.

Reverend William Branham, being a prophet and having both consciousnesses together, therefore, saw how that manifestation of God will be; and he was — he was transported to that time, and he saw everything that was happening in one of the activities that he attended. In spirit, in spiritual body, he attended and told all that he saw; and he was told:² "*This is that Third Pull, and no one will know It* (you are not going to explain to them the details)."

1 Haggai 2:7

2 *The Seals*, p. 557, paras. 263

Therefore, although this vision was in only one place that he saw it, even with all that, this can be repeated in many countries; but in one, exactly what he saw will be fulfilled.

But it can also be fulfilled, under the ministry of that person who will be ministering, it can be fulfilled, or it can have under that ministry, activities in many countries where the same thing happens; but there will be a place, a country, where what was seen by the Reverend William Branham will be fully fulfilled; and that prophecy is approaching.

The Church of the Lord Jesus Christ is about to be completed; and when it is completed, then great things are going to happen.

The Lord has to take the Title Deed, the Book of the Seven Seals, open it in Heaven and do His Reclaiming Work. Under that Reclaiming Work great wonders are going to be carried out on this planet Earth in the midst of Christianity and then in the midst of Judaism, in the midst of the Hebrew people.

Therefore, in the coming prophecies there are great blessings for Christianity and for Judaism as well; there are great blessings for the Hebrew people as well.

THE PREACHING OF THE GOSPEL OF THE KINGDOM

Although a squeeze will come, but in the midst of that squeeze will come the resurrection and the transformation of our bodies; in that squeeze, the power of God will be manifested in all His fullness; in that squeeze, the Third Pull will be manifested; in that squeeze, we will see the Sword coming out of His mouth: the Divine, creative Word, coming out of the mouth of the Holy Spirit.

The mouth of God has always been the prophets of God. So we can see that something big is getting ready to happen in this end time.

And everything is going to come to its culminating part in the fulfillment of a vision that was shown to Reverend William Branham: The Vision of a Great Tent Cathedral. And it will be seen, everything that will be happening there, in other countries; because there is satellite communication and there are antennas to receive that signal.

Transportation will be a little difficult for those days. If at present it is also a little difficult economically, how will it be for those times? But we hope to have all the mechanisms, the necessary electronic equipment in all the countries —each minister in his congregation—, to capture the signal, and everyone will be able to see what God will be doing.

So the goal will not be to travel to where the fulfillment of the Tent Cathedral is, but to have the necessary equipment to capture everything that is happening and the fulfillment of the Tent Cathedral Vision. It is as simple as that. Because through what God is doing, the same blessings that are going to be in that place, will be in all the congregations that will be listening.

So we expect the fulfillment of the Tent Cathedral to become a reality very soon, because the ministries through which God will manifest, will operate the Holy Spirit, the Angel of the Covenant, are the ministries of Moses and Elijah. For the great signs and wonders, miracles, the ministry of Moses, the ministry of Elijah and the ministry of Christ, the Anointed One, the Messiah, will be there.

All that is in the Seventh Seal, it will be a manifestation of the Seventh Seal; and therefore, all that will be there.

First they will see the ministry of Elijah, they will see Elijah; then they will see Moses; and then they will see the Messiah —as simple as that—, in the manifestation of the Spirit of God at the Last Day, in the fulfillment of His promises for His Church and for the Hebrew people.

And the Hebrew people will say: “This is the one we are waiting for.”

But what will the Church, the elect, be able to say?: “We have already received Him,” is what they will be able to say when this promise is being fulfilled. They will say: “This is the one we are waiting for,” and the Church will say: “This is the one we have received.”

THE SIXTH SEAL JUDGMENT

Then notice, the fourth Elijah says here [*The Seals*, p. 427]:

“[294] *Here it is. They’re the one who brings on this Sixth Seal (Who? Moses and Elijah produce it; they produce it). They uncover and open it up (wait a minute! Was it not open?). It’s the Power of God (it is the power of God), to interrupt nature. See, the Sixth Seal is completely an interruption of nature.*”

How about that? Do you see the Sixth Seal in types and figures back in the past? An interruption of nature back in the time of Moses when he went to lead the children of Israel out of Egypt, see? The Sixth Seal was an interruption of nature back then. It interrupted what? It interrupted everything.

Every time God gave one of His thoughts to Moses, and Moses captured the thought or the Mind of God, that went in there, it was sealed,

it became incarnate; and then Moses would come out and say: “Come such plague!”

He did not speak in one day – or on only one occasion, he did not speak all the plagues; he only spoke as God gave him to speak; he grasped by revelation the thought of God, God spoke directly to his heart.

And then, when he knew what God was speaking to him, when he accepted it...; when he accepted it and said: “Amen,” it was incarnated in there; and then he was free to go and speak that Word that was already incarnated there. Then he would go and speak it, and then he would leave; that was all his work. He was a transmitter of God’s mind, of God’s thought, he was a transmitter of God.

A POWERFUL SAVIOR

The baptism of the Holy Spirit is the evidence that we are going to be in the Marriage Supper of the Lamb; and then the other evidence will be the new and eternal body. In other words, both the baptism of the Holy Spirit and the glorified body is the Marriage Garment.

The first portion of the Marriage Garment: The baptism of the Holy Spirit, where we obtain the heavenly body; and the second part of the Marriage Garment: The glorified physical body that we are to receive.

And when we obtain it, we will be here on Earth for a little while, like Jesus: after He was resurrected, He was here for 40 days. Well, we will be here for 30 to 40 days. And there will be a very great manifestation of divine power; because all the sons and daughters of God, of the Church, the members of the Church of Jesus Christ, the redeemed ones of past ages and of our time, will be with us here on Earth in glorified bodies, eternal bodies, and with all the power of God in them.

There will be no limitations as to the things that will be happening. God will shake this world as He has never shaken it before. And then we will go from here to the Marriage Supper of the Lamb, to the greatest feast ever held in Heaven.

And why has it not taken place before? Because it was waiting for us.
