THE RESTORATION OF ALL THINGS

Now, we find that the human being has been studying everything related to life here on planet Earth: The animals, the trees, the birds, the fish and the human being. And the human being has discovered that there is an animal missing between man and animal, and it is the “missing link” that the human being has been looking for scientifically; and that “missing link” is the serpent.

That race that was between the human being and the animal, that race of the serpent, was an animal between the chimpanzee and man. We find that it could reason, it was very intelligent, it could talk, and had a very broad knowledge.

In clearer words, it was a generation of people that lacked only one thing to be exactly like Adam... , and the serpent had room for it to be given what it lacked to be a human being; it lacked only one thing, and it had room to be given that which it lacked: it lacked a soul; and it had room for the soul.

That is the “missing link” that science has been looking for: a race of beings, of people, who only lacked the soul. And if God put a place for the soul, at some time God would put a soul in that place.

Now, that was the place that the serpent had to receive the soul; but before he received the human soul, he received the devil, who became incarnate in the serpent and brought about the fall in the Garden of Eden. Now, that is the “missing link” between man and animal.

We also find another missing link; and that is the missing link between the serpent and Adam, and that link is: Eve.

And some will say: “But there are women today.” There are women today, that is true; but there are no women like the one God formed from Adam’s side. She could have lived for eternity in that body if she had not fallen. And no woman that exists today can say that she can continue to live in that body she has, because that is a corruptible body; but she did have a body that could continue to live for eternity, and remain young. And she also had the opportunity to bring eternal children; and she lost that opportunity.

Do you know what would have been the name of the son that Adam and Eve would have had if she had not fallen? His name would have been Jesus. Her first son would have been Jesus.

Now, we find that there is another link; and that link is between the human being that exists today and God; and that was: Adam, who was created by God here on Earth; and he received all power and authority on Earth, and became the ruler, the

king, here on Earth; and everything was under his authority, under his power. He named all things here on Earth: the birds in the sky, the fish in the sea, the trees, he named them all, because he came to be placed as king here on Earth; and God: The King of the Universe.

Now, Adam could say to the animals: “You come here,” and he would come. The lions and all these animals that are wild today, at that time were very gentle and were under the authority, under the dominion of Adam; also all the fish of the sea, also the birds in the sky, the trees...; all of the Creation. He could also say to the trees: ‘Move from here to there,’ and they would move; because he had the Title Deed.

Having the Title Deed, he was nothing less than the heir of the Earth; the Earth was given to him as an inheritance with the Title Deed.

For that reason, Adam could do what he wished to do; and God placed Adam in free will, to do as he wished to do. He was given free will, and for that reason alone God made known to him the dangers that were here on Earth; warned him how to continue to live for all eternity, and also warned him how to leave eternity, fall from eternal life and become mortal.

And he said to him: “Do not do this; because the day you do it, that day you will die.” Because God’s desire is that His children live eternally; therefore, God’s advice has always been, is and will be: that they remain in the Divine Program so that they may live eternally, and not go out to another program.

But Eve went out of God’s Program to the devil’s program through the serpent, and that caused the fall of the human race.

And these three links of Creation, these three links that were here on Earth, disappeared.

And we find that the serpent, as a race, is gone; but that race will be restored. Although, while the restoration of that race comes, we find that the seed of the serpent will produce... has been producing and will produce, instruments through which the devil will manifest himself.

It produced Cain, it also produced Nimrod, it produced countless characters in Bible history; it also produced Judas Iscariot. And it will produce the antichrist, in whom the devil will be incarnated and will be the beast; it will be the last product of the seed of the serpent in whom the devil will be incarnated. And then that race will have a restoration, and will have a soul.

And how will all this be? Let’s see: The race will be restored in the restoration of all things; and that position occupied by the serpent’s race will be occupied by human beings who when the Final Judgment is over will pass to eternal life. This includes gentiles and also Hebrews.

THE TWO THRONES, THEIR KINGS AND THEIR SUBJECTS

And here we see that the Throne of David is going to be given to Jesus Christ. He is a descendant of King David by being born through the virgin Mary, who was a descendant of King David, and by being adopted as son by Joseph, who was also a descendant of King David; therefore, He has through Mary and through Joseph the

descent that qualifies Him to be the heir to the Throne of David, to claim that Throne and to sit on that Throne and to reign over the Hebrew people.

But there is another throne: The throne of Satan; and the throne of Satan is given to the beast that comes up out of the sea.

Therefore, the antichrist, the man of sin, in whom the devil will be manifested in all his fullness, will become flesh in the man of sin, the beast, the antichrist; and then he will be the beast, because he will have the heart of a beast, and will have the beast in all his fullness; the old serpent, which is called the devil and Satan, will have him within, there in his heart.

Therefore, the man of sin, the antichrist, will be the human throne of the devil, of Satan, who will be seated on a literal throne, and will force all human beings to have a mark on their hand or on their forehead, because if not, they will not be able to buy or sell; which is coming very soon.

Now, someday we will openly identify where that throne is, what that throne is, and who is the instrument that sits on that throne, the man that will be sitting on that throne; which will be Satan's throne here on Earth, which will be the representation of Satan's throne of the fifth dimension.

Therefore, from Satan's throne of the fifth dimension, everything will be taking place on this Earth through Satan's throne that will be here on Earth; a literal throne, where a literal man..., where the devil will be in all his fullness, will be seated.

Therefore, Satan's throne of the fifth dimension will merge and unite: it will come true on this Earth in all its fullness. But Christ will overcome the devil.

In Revelation and also in Second Thessalonians, it tells us about that man of sin. Second Thessalonians, Saint Paul speaking, says [2:3]:

“Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition (in other words, another Judas, another Cain, another Cush, another Nimrod)...”

THE RESTORATION OF ALL THINGS - PART I

And now, we find that the first one who rebelled against God in Heaven was Lucifer, and he brought the first war in Heaven. He was defeated by the Archangel Michael, he was cast down to the earth; and the war that began in Heaven, came to Earth. And since God placed the human being on Earth, we find that there has been war between human beings.

Now, we find that the devil spoiled both his position as an archangel and as a covering cherub, and he also spoiled that of the angels who followed him; among whom there are many who had a great and important position in Heaven. Then, on Earth he also spoiled the race of the serpent, which was the animal race that most resembled the human being, which is the missing link that science is looking for.

And just as the devil rebelled in Heaven, caused a rebellion of that race against God and God's Program, we find that after God brings the Earth back to life, with uncovering the Earth (which was covered with waters), and bringing vegetation, bringing light, bringing vegetation and bringing animals, birds, reptiles, and then at

the end the human being; then we find that the same race of the serpent returns to the Earth.

And now, what does the devil do? The devil incarnated himself in the serpent, in one from the seed or offspring of that animal race; in other words, he incarnated himself in the leader of that animal race.

THE TRUE PROPHET THAT GOD SENDS

Therefore, before the beginning of that period of time, called in the midst of Christianity the great tribulation, which will last three and a half years, God will send the prophet Elijah. In other words, the Holy Spirit on Earth will be anointing a man with the ministry of Elijah; just as the Holy Spirit anointed Elijah the Tishbite in the prophetic ministry pertaining to that time, and he gathered the stones of the altar for the sacrifice to God; and each stone typified each one of the tribes of the Hebrew people.

He prepared the altar with twelve stones; and all this speaks of the Last Day, of the gathering of the twelve tribes of Israel for the restoration of the altar of God, where the divine fire will fall, and where God will consume the sacrifice, and will accept the people being reconciled with God, as it was in the time of the prophet Elijah.

For the end time, the Spirit of God, just as He anointed the prophet Elijah; and then anointed Elisha with a double portion, and he became the second Elijah; and then anointed John the Baptist with the ministerial spirit of Elijah, and became the third Elijah or third occasion in which the ministry of Elijah was operated by the Holy Spirit; and just as He anointed the Reverend William Branham with the spirit and power of Elijah, and operated the ministry of Elijah for the fourth occasion; the Holy Spirit in the midst of the people of God, in the midst of His Church (and then in the midst of the Hebrew people) will anoint a man, another man, with the spirit and power of Elijah, will operate that ministry again for the fifth time; and we will obtain the fulfillment of the coming of Elijah before the coming of the great and terrible day of the Lord, before the great tribulation begins.

Therefore, knowing that that terrible day of the great tribulation is near, wherein the divine judgments will fall upon the planet Earth (and they will last, those divine judgments falling upon the Earth, for three and a half years), first the prophet Elijah, that is, the Holy Spirit will be in the midst of the Church of the Lord, and then in the midst of the Hebrew people, anointing a man with that ministry; operating that ministry through that man for the blessing of those who are to be transformed and taken with Christ to the Marriage Supper of the Lamb, giving them the faith to be transformed, revealing to them the mystery of the Seventh Seal, the mystery of the Coming of the Lord, revealing to them all they need to be prepared for the transformation and rapture of the Church.
