And now, nature was interrupted by the word of Elijah, and the sun wasn't evaporating water and forming clouds for three and a half years; it wasn't forming water rain clouds to fall on the land; he interrupted the natural process of rain, which is the sun evaporating water from the sea and from the rivers, and from the lakes also, to convert them into water vapor and take them to the atmosphere in the form of clouds, to then fall on the land.

See how this prophet interrupted that natural process, and then restored it again by the same spoken Word. And the inauguration of that restoration, you see, was a tremendous downpour.

And now, the palm of one hand, you look at it, but if you look closely at the hand: it has five fingers. By the word of Elijah came into existence that cloud the size of the palm of a hand.

And now, under the ministry of Elijah for the Last Day in his fifth manifestation, the manifestation of a great rain will come, but it begins with a little cloud the size of the palm of a hand.

Under the ministry of Elijah will be the ministries of apostle, prophet, evangelist, pastor and teacher, just as in the palm of one hand we find the five fingers stand out.

(...) And in our age the content of the Seventh Seal is

fulfilled; but that mystery of the Seventh Seal, for the Last Day — contained in that Title Deed— will be opened publicly, worldwide, after Christ rises from the Throne of the Father, takes the Title Deed, opens it in Heaven, brings it to Earth and delivers it to a man to be eaten.

When that man eats it, that Title Deed becomes flesh in him, and he will receive his transformation; and he, by sharing that Title Deed with the elect of the Last Day, it becomes flesh in them, and they will be transformed.

Now, as we receive the Word of the Last Day, we are receiving the content of that Title, we are receiving that Word; and our transformation will come around that Word.

(...) Remember that it is a Program of God; therefore, everything is going to be fulfilled according to how God designed it. It is up to us to be prepared to receive all the blessings of Christ as Lion of the tribe of Judah, just as we are receiving the blessings of Christ as Lamb of God and as High Priest of the heavenly Temple.

God provided the Lamb of God for the Work of Redemption two thousand years ago, and God will provide the Lion of the tribe of Judah for His Reclaiming Work, for the resurrection of the dead in Christ and the transformation of us who are alive. That is why God will provide the Lion of the tribe of Judah, the King of kings and Lord of lords in His Reclaiming Work; and to claim His Kingdom and His Throne on Earth and establish that glorious Millennial Kingdom.

And now, we say as Abraham said to Isaac, when he said unto him: “Father, where is the lamb, the lamb for the sacrifice?” Abraham said to him: “My son, God will provide.”

And now, sons and daughters of God, who ask in your hearts: “Where is the Lion of the tribe of Judah?”

I say to you: Sons and daughters of God, God will provide: God will provide the Lion of the tribe of Judah, just as He provided the Lamb of God!

## **A SLEEPING GENERATION**

By becoming the Lion of the tribe of Judah, He could then fulfill His Second Coming; for His Second Coming is not as the Lamb of God, but as the Lion of the tribe of Judah. Thus it is promised in the Holy Scripture.

As the Lion of the tribe of Judah, He is the King of kings and Lord of lords, He is the root and the offspring of David, He is the bright and Morning Star. He is, in His Second Coming, all of that fulfilled in Him.

Therefore, then He as Lion of the tribe of Judah, He is the Judge of all the Earth; and as Judge then He can bring this world into judgment.

As Lamb He doesn't do it, because as Lamb He is High Priest, and as Lamb the mercy of God is then extended to every human being; and God cannot see the sin of any person, because God sees every person under the Blood of Christ.

But the Blood of Jesus Christ is removed from the Most Holy Place in the Temple which is in Heaven; because He leaves the Most Holy Place, for what? He leaves that place to fulfill His Second Coming here on Earth; and then He appears as Lion of the tribe of Judah, as King of kings and Lord of lords, as Judge of all the Earth.

And He then comes in His Second Coming in an investigation of judgment, to speak the judgment; as all judges do when they judge a case: then they speak the judgment, the sentence, for the person who is the accused; and after the judge speaks that sentence, that sentence is then carried out upon that person.

And so it is also spiritually: He in His Second Coming — as Judge— will speak the divine judgment for this world of the gentiles, for this final generation; and then the judgment will fall upon all nations, the apocalyptic plagues will fall upon all nations, until what the prophet Malachi says when he said:

“Behold, the great and terrible day of the Lord comes, when all the proud shall be stubble; and that day that cometh shall burn them up, saith the Lord.”

And with what? Where will the fire come from? There are enough atomic bombs, hydrogen and cobalt bombs, ready to explode. And in these days they will also make neutron bombs, in order to have more atomic fire, so that what the Bible says is fulfilled.

And if any fire is missing, a little more: volcanoes will explode, earthquakes will shake the earth, and the catastrophes that are to come upon the Earth and upon the inhabitants of the Earth will be the fulfillment of the divine judgment.

Why? Because this generation is asleep! And those who sleep will receive the divine judgment; because they have not awakened to the reality of the time we have been given to live in.

But He recommends to every person to wake up: to wake up before the judgments of God fall upon the Earth!

This is a very important hour in God’s Plan. In the days when Noah appeared saying that God was going to destroy mankind from the whole Earth, people never imagined that what Noah was saying was the truth.

But since God spoke to Noah, and what Noah was saying was the truth (because the time of divine judgment had come), what Noah said was fulfilled. And those who slept spiritually and did not want to wake up to the reality of that time: the flood came and destroyed them all.
