

crying out as when a lion roars. And that is the second rock, the rock of Kadeshbarnea, representing the Second Coming of Christ.

And persons and groups will rise up against the Coming of the Mighty Angel that descends from Heaven, which is Christ. And every person who rises against the Mighty Angel that descends from Heaven — which is Christ in His final manifestation, as Lion of the tribe of Judah— will be guilty of a second crucifixion; because Moses there was guilty of setting the type and figure of what would be the Second Coming of Christ.

Therefore, see, for the Second Coming of Christ it wasn't and isn't that He will be crucified. But Moses broke the type and figure, and therefore there will be a spiritual crucifixion.

Every person who rises against the Coming of the Mighty Angel...; who comes as a Lion of the tribe of Judah, as King of kings and Lord of lords, crying as when a lion roars and seven thunders uttering their voices; in other words, speaking consecutively; speaking what?, speaking the Message of the Gospel of the Kingdom.

Every person who would rise up against the Mighty Angel in His final manifestation, would be guilty of a second crucifixion; which was typified when Moses smote the rock of Kadeshbarnea twice.

And now, we find that all those who rose up against Moses...; which also represents Christ at some times, and at other times represents the people, or also represents those who would rise up against Christ. There, striking the rock is representing those who will strike Christ at His Second Coming.

They will hurt Him with words; rising up against the Coming of Christ for the Last Day and His Program pertaining to the Last Day, where He will be giving us the faith to be transformed and taken with Christ to the Marriage Supper of the Lamb. They will speak in the same way they spoke against Christ at His First Coming.

THE MYSTERY OF THE BLOOD OF CHRIST

Now, we have seen that a change is intertwined in our age, and also in the people, and in the messenger, and in the territory: A change of age, a change of dispensation, a change of Message, a change of people, and a change of ministry of Jesus Christ: from Lamb to Lion, from Priest to Judge of all the Earth. And that change is the one we will be seeing.

And when the last of the elect comes, Christ will come out of the Place of Intercession, and that Throne (which has been of mercy for all these hundreds of years), will become a Throne of Judgment; and will bring, and will be spoken from the Throne of God, the judgment of the great tribulation; and it will be communicated to the human race through the spiritual Temple of Christ, through the ministry that will be in that Temple, which will pass from the gentiles, from the gentile Church, to the Hebrew people.

The time will come when —just as that manifestation was during the different ages as Lamb; and Christ as Lamb and as High Priest, during the Dispensation of Grace—, then, at some

point in time, He will change from Lamb to Lion, and from High Priest to King.

And that will happen in the Age of the Cornerstone, and that will happen in the midst of the people where that age is in effect. And that people, which is it? It will not be in the seventh age. It is in the Age of the Cornerstone.

There we will hear the Voice of Christ as a Lion: Crying, roaring as when a lion roars, and Seven Thunders uttering their voices. It is the Voice of Christ.

And if you have heard a lion roaring, it sounds like it is thundering; and anyone may be frightened by what it is saying; and it is announcing danger to the people. And the bravest hides when he hears that the lion is roaring; and the closer he hears the roaring, the more frightened people become.

And so also Christ in Holy Spirit in His final manifestation, will come suddenly to change from Lamb to Lion; and then His Message will be speaking the divine judgments that are to come upon the Earth; and that is already as Lion and as King. And therefore, in that Message He will be announcing the coming danger to the human race. As simple as that.

THE REVELATION CONTAINED IN THE SEVEN THUNDERS THAT JOHN HEARD AND WAS FORBIDDEN TO WRITE

The Seven Thunders is the Voice of Christ as Lion speaking to His Church; just as the Voice of Christ as Lamb in Holy Spirit in the midst of His Church, and as High Priest, was the Voice of the Holy Spirit through His different messengers in His different stages of the Church. As simple as that.

It is simpler than we can imagine. Remember that the promise is that everything will be in simplicity. The elect will hear the Voice of Christ, the Mighty Angel descending from Heaven, the Voice of the Holy Spirit. "He that hath ears to hear, let him hear

what the Holy Spirit saith unto the Churches." So was the message for each stage of the Church, it was the Holy Spirit speaking through each messenger; and for the Last Day the Holy Spirit will be speaking to His Church, the Mighty Angel that descends from Heaven; and he who has ears to hear, will hear the Voice of Christ crying as when a Lion roars and Seven Thunders uttering their voices.

We will be listening to the Voice of the Mighty Angel, what the Voice of the Mighty Angel said when He cried out and Seven Thunders uttered Their voices; we will be listening and understanding the content of those Seven Thunders, the content of what Christ, the Mighty Angel, spoke when He descended with the little Book open in His hand; which is still in the future, but it will be fulfilled very soon.

When Christ takes the little Book in the hand of Him who is sitting in Heaven, then He changes from Lamb to Lion, He changes from High Priest to Judge, to King; there that change is very important. And we are going to see that change, because that is where the Reclaiming Work is done for our transformation and for the resurrection of the dead in Christ in glorified bodies.

JOSHUA PASSING THE PEOPLE INTO THE PROMISED LAND

The Voice of Christ in Revelation, chapter 10, of the Mighty Angel that descends from Heaven, which is Christ; it says that He cried as when a lion roars and seven thunders uttered their voices: The Voice of Christ as Lion; no longer as Lamb and no longer as High Priest, but as Lion and Judge.

And therefore, there it is that Christ in His Second Coming changes from Lamb to Lion; because He is the Lion of the tribe of Judah, the root and offspring of David, and He is also the bright and Morning Star.

Therefore, that is the Coming of the Lord for the Last Day,
